Thieves Attack Youth Soccer

Earlier this month Darwin City Council announced the resurfacing of the playing field at Bagot Park. These works consisted of grading the surface, installing a new irrigation system and new top soil and grassing.

In further news, thieves have recently visited the site.

Lord Mayor, Graeme Sawyer commented on the theft "some bright spark has been knocking-off the expensive sprinkler heads" he said "we will be increasing security at the site, so I hope we catch the person responsible".

CEO of Football Federation NT, Mr Bill Kostandas, said it is despicable that people would rob our youth of fun and the chance to enjoy such a great sport "this is a very low act" he said.

Darwin City Council has got together with the NT Government and the Soccer Federation to make this project a reality. We need these types of quality community assets to help our young people develop and become useful members of society. Members of the community are asked to be vigilant and report any suspicious activities to either the NT Police or Crime Stoppers on 1800 333 000.
