Temporary Closure Casuarina Library

Darwin City Council regrets that due to the failure of the air conditioning system and subsequent power outages, Casuarina Library will be closed until the problems can be rectified.

Management and staff sincerely apologise for the inconvenience to Casuarina Library customers, but wish to remind everyone that all library services and facilities are available at the City, Karama and Nightcliff libraries.

A further advice will be issued once Casuarina Library is back up and running.

For information, members of the public can call Casuarina Library on 08 89 300 200.

Ends.
