RECOMMENDATIONS

1. THAT the report entitled 2nd Budget Review 2023/2024 be received and noted.
2. THAT Council amend the 2023/2024 budget in accordance with Part 10.5 of the *Local Government Act 2019*, as detailed in report titled 2nd Budget Review 2023/2024 and associated attachments.

PURPOSE

The purpose of this report is to present the 2nd Budget Review 2023/2024 and seek Council's approval of the recommended amendments to the budget.

Budget Reviews provide additional financial information to supplement statutory monthly financial reporting.

KEY ISSUES

- The budget review proposes several amendments to Council's adopted Annual Budget 2023/2024.
- The budget is balanced, as per legislative requirements.

DISCUSSION

The 2nd Budget Review is presented with a decrease in General Funds with the recognition of the Surplus Funds 2022/23 transfer of \$1.06M. There is nil movement in the Net Operating Position as the transfer is a movement from Unrestricted Cash. This is compliant with Section 202 of the Local Government Act 2019, which prohibits budgeting for a deficit except in accordance with the regulations specified in Section 10 of the Local Government (General) Regulations 2021.

This report outlines a high-level summary of some of the significant movements and does not discuss in detail all the variations. The report should be read in conjunction with the detailed notes provided in the attachments for a comprehensive view of all the variations.

Overall Impact

- a. "Net Surplus (Income Statement)", increases leading to an increase in "Funds from operations" (debit) of \$1.02M (**Attachments 1 & 2**).
- b. "Additional Outflows", net increase of \$8.76M (credit); recognising increase in "Purchases of infrastructure" \$9.12M (**Attachment 5**).
- c. "Additional Inflows", net increase of \$7.74M (debit); recognising Proceeds from Borrowings of \$6M, Transfers from Reserves increasing by \$0.68M (**Attachment 3**) and a Transfer from Unrestricted Cash of \$1.06M.
- d. The sum of the above (a-c) variations to the existing adopted budget result in a nil effect to the Net Operating Position (**Attachment 2 – Bottom Line**).

Variations of Note

The overall Net Deficit decreases (improves) by \$0.90M, largely due to the reduction in interest expense \$0.50M and additional income from operating grants \$0.50M. These have been offset by transfer to reserves or to programs as detailed in the attachments.

This review includes a variation to recognise a decrease in income received at the Shoal Bay Waste Management Facility of \$2.5M, offset by a corresponding reduction in operational expenses.

Other variations in the Income Statement include budget adjustments for additional operational grants (offset by expenditure) or transfers from programs as early carry forwards and are provided in the notes of the attachments.

2022/2023 Year End Surplus Funds Allocation \$1.06M

In accordance with Resolution ORD800/23 this review recognises \$1.06M available working capital from the prior year and has been allocated as follows:

- \$0.45M allocated to Ward Better Suburbs (\$90k per Ward plus Lord Mayor) and transferred to the Carry Forward Reserve for the 2024/2025 Better Suburbs program
- \$0.41M transferred to Asset Replacement and Refurbishment Reserve
- \$0.20M allocated to Nightcliff Foreshore Café Renovation and transferred to the Carry Forward Reserve to be included in the 2024/2025 capital program

Purchases of Infrastructure, Property, Plant & Equipment (capital program)

The 2nd Budget Review proposes variations across the capital program and results in a net increase of \$9.12M. Increases greater than \$300k are:

Waste Management Infrastructure Works + \$6.49M

- Stage 2 Expansion Part 1 \$6M – funded by external borrowings.

Ministerial Approval on the external borrowings was received on 3 May 2023 for Part 1 of the 2-part expansion of Stage 2 inert waste cell at Shoal Bay Waste Management Facility. A variation of \$6M is included in the 2nd Budget Review to recognise that the external borrowings will be executed this financial year as works have commenced on the project.

With the delay in the execution of these borrowings, savings in interest and principal repayments have also been recognised in the review. These have been transferred back into the Waste Management Reserve.

- Leachate Pond 3 \$0.33M – increase in costs funded by Waste Management Reserve
- Stage ¾ Cell Capping \$0.16M – increase in costs funded by Waste Management Reserve

Parking Meter Replacement +\$2.30M

A variation to recognise the Parking Meter Replacement project is included in this review, funded by a transfer of \$2M from the Off & On Street Parking Reserve and balance from the CBD Parking Rate Levy Shortfall Reserve. The estimate is as per 10 year parking analysis and may differ once tender is awarded, also noting that dependent on the timing of the contract this may carry forward into the 2024/25 FY.

Lee Point Rd Upgrade +\$0.67M

Additional funds required to balance the expenditure incurred on the project; funded by \$0.33M transfer from the Developer Contributions Reserve and \$0.34M transfer from capital program Stormwater Drainage projects.

As stated above this is not a full comprehensive list of all the variations, the full detailed list and notes are provided in the attachments to the report.

PREVIOUS COUNCIL RESOLUTION**RESOLUTION ORD800/23**

Moved: Councillor Mick Palmer

Seconded: Councillor Jimmy Bouhoris

1. THAT the report entitled 2022/2023 Year End Surplus Funds Allocation be received and noted.
2. THAT \$1,060,000 in available working capital at 30 June 2023 be recognised as a budget variation in 2023/2024 in accordance with Part 10.5 of the Local Government Act 2019.
3. THAT Council adopt the budget variation in 2023/2024 for \$1,060,000 in available working capital surplus at 30 June 2023 and allocate:
 - a) \$200,000 to the Nightcliff Foreshore Café Renovation in the 2023/2024 financial year.
 - b) \$450,000 Ward Better Suburbs Program, allocated as \$90,000 per Ward plus Lord Mayor, in the 2023/2024 financial year, to be carried forward to the 2024/2025 Better Suburbs program.
 - c) \$410,000 be transferred to the Asset Replacement and Refurbishment Reserve in the 2023/2024 financial year.
4. THAT this report and any attachments be deemed confidential documents and be treated as such in accordance with Section 293 (1) of the Local Government Act 2019.

This is the net sum of all fund flows after reserve transfers and results in a net decrease in General Funds of \$1,06M from the 2022/23 surplus funds and has been allocated in accordance with Council Resolution ORD800/23. This is funded by an inflow from Unrestricted Cash resulting in no increase/decrease in the Net Operating Position at the 2nd Budget Review.

14.2 UPDATED TERMS OF REFERENCE FOR THE CYCLONE TRACY COMMEMORATION ADVISORY COMMITTEE

Author: General Manager Innovation

Authoriser: Chief Executive Officer

Attachments: 1. Cyclone Tracy Commemoration Advisory Committee - Updated Terms of Reference [↓](#)

RECOMMENDATIONS

1. THAT the report entitled Updated Terms of Reference for the Cyclone Tracy Commemoration Advisory Committee be received and noted.
2. THAT Council adopt the updated Terms of Reference at **Attachment 1**.

PURPOSE

The purpose of this report is to seek Council's endorsement to update the Terms of Reference for the Cyclone Tracy Commemoration Advisory Committee.

KEY ISSUES

- It is recommended that a second representative from the Northern Territory Government is included on the Cyclone Tracy Commemoration Advisory Committee to facilitate conversations around the Cyclone Tracy Commemoration Program, including events, marketing and communication between the City of Darwin, the Northern Territory Government, and the Advisory Committee.
- An updated Terms of Reference detailing the two Northern Territory Government representatives from the Northern Territory Major Events Company and the Department of Chief Minister and Cabinet is available at **Attachment 1**.

DISCUSSION

The Cyclone Tracy Commemoration Advisory Committee (Committee) was created in 2023 in order to provide advice to Council on matters outlined in the Committee's roles and functions.

The Committee has met numerous times since inception and recommended a number of initiatives:

- A Grants Program
- Sponsorship Prospectus
- Project Plan
- To progress seeking funding to design and construct a monument at Bundilla Beach and interpretive signs across the municipality as well as to promote the Grants Program

In order to progress conversations regarding collaboration with the Northern Territory Major Events Company and Department of Chief Minister and Cabinet regarding the Cyclone Tracy Commemoration Program including events, marketing and communication, it is recommended that an additional Northern Territory Government representative is added to the Cyclone Tracy Commemoration Advisory Committee. Please see the updated Terms of Reference at **Attachment 1**.

PREVIOUS COUNCIL RESOLUTION

At the 6 February 2024 meeting Council resolved:

RESOLUTION ORD010/24

Moved: Councillor Ed Smelt

Seconded: Councillor Amye Un

1. THAT the report entitled Updated Terms of Reference Cyclone Tracy Commemoration Advisory Committee be received and noted.
2. THAT Council endorse the updated Terms of Reference at **Attachment 1**.

Cyclone Tracy Commemoration Advisory Committee terms of reference

No. 1280.001.E.R

1 Purpose

The Cyclone Tracy Commemoration Advisory Committee is an Advisory Committee to Council. Its purpose is to provide advice to Council on matters outlined in the Committee’s roles and functions.

The Committee will provide recommendations to Council to enable an informed decision to be made on the delivery of the program of events and activities for the 50th anniversary of Cyclone Tracy.

2 Scope

The Cyclone Tracy Commemoration Advisory Committee operates to advocate, advise, and support Council and deliver recommendations for the 50th anniversary of Cyclone Tracy.

3 Authority / delegation

The Cyclone Tracy Commemoration Advisory Committee has the power only to recommend a course of action to Council and does not have any delegation to make decisions. The Committee is responsible for implementing the decisions of Council in accordance with the role and functions of the Committee.

4 Functions

The functions of the Cyclone Tracy Commemoration Advisory Committee as required, are to:

- a) Review the Cyclone Tracy 50th Anniversary Program
- b) participate and promote upcoming events and activities in the Cyclone Tracy 50th Anniversary Program, and
- c) investigate and make recommendations on a program of events and activities for the 50th anniversary of Cyclone Tracy.

5 Membership

In accordance with the *Local Government Act 2019* (NT), City of Darwin will appoint suitably qualified individuals to be members of the Committee based on a selection criteria related to their expertise, experience, dedication, and commitment to the purpose of the group.

Membership provisions

- a) up to four (4) community members, and
- b) up to six (6) organisational memberships consisting of representation from:
 - i. Australian Defence Force
 - ii. Larrakia Nation
 - iii. Library and Archives NT
 - iv. Museum and Art Gallery NT
 - v. Northern Territory Government Representative – NT Major Events Company
 - vi. Northern Territory Government Representative – Department of the Chief Minister and Cabinet
- c) Two (2) Elected Members on the Committee, the Lord Mayor, and one Elected Member. There may also be an alternate Elected Member.
- d) City of Darwin’s Chief Executive Officer.
- e) Member for Solomon, Mr Luke Gosling OAM, MP.

Observers with specialist skills and experience may also attend by invitation of the Committee and/or Council.

The term of membership for community members is two (2) years.

5.1 Chair

The Lord Mayor is the Chair of the Committee.

The Committee Chair is responsible for:

- Ensuring the good conduct of meetings in accordance with the role and functions of the Committee, and
- ensuring that the Committee’s recommendations and actions are in line with the Terms of Reference.

The Committee Chair may be called upon to represent the Committee to Council.

The Committee may appoint a Deputy Chair for the purposes of chairing a meeting if the Chair is not present or at a meeting, as required.

5.2 Members

Members are appointed to represent the interests and needs of the community relevant to the Committee purpose.

Organisational members are appointed to represent the interests and views of their member organisation relevant to the Committee purpose.

6 Meetings

6.1 Frequency and location

Subject to direction by Council, the Committee will set its meeting schedule the calendar year prior.

The Committee will meet at least four (4) times per year and no more than eight (8) times annually, between February and November.

Time and location of meetings is to be determined by the Committee.

Special meetings can be convened by the Chief Executive Officer on the request of the Chair, or a majority of Committee members. The Chief Executive Officer will then issue a Notice of Meeting with the time, date and location of the meeting, and the items to be discussed at the special meeting.

6.2 Voting

A resolution of the Committee will be passed by a majority vote. A majority vote is half plus one of the members present at the meeting.

The Chair must exercise, in the event of an equality of votes, a second or casting vote.

6.3 Committee term

The term for the Committee will be up to a period of two (2) years.

7 Code of conduct

All members are accountable to the *Local Government Act 2019* (NT) Code of Conduct, Schedule 1. This includes the requirement to declare gifts and/or benefits.

8 **Conflict of interest**

On appointment to a Committee, all members must identify if there are any conflicts of interest in performing their role on the Committee.

Conflicts of Interest must also be identified at any meeting in which a member has a conflict of interest on a matter.

9 **Review and performance evaluation**

9.1 **Terms of reference**

The Terms of Reference will be reviewed annually by the Committee and any changes will be put to Council for endorsement.

9.2 **Performance evaluation**

At the end of each calendar year, the Committee will conduct an annual review of the Committee to assess outcomes against these terms of reference.

The review and any amendments to the Terms of Reference will be provided to Council at the commencement of each calendar year.

2. Chief Executive Officer Performance Appraisal Committee Terms of Reference - Revised [↓](#)

RECOMMENDATIONS

1. THAT the report entitled Chief Executive Officer Performance Appraisal Committee be received and noted.
2. THAT Council adopt the revised Terms of Reference for the Chief Executive Officer Performance Appraisal Committee at **Attachment 2**.
3. THAT Council appoint the following Elected Members to the Chief Executive Officer Performance Appraisal Committee for the term 1 March 2024 to 28 February 2025:

The Lord Mayor (Chair)

Councillor Peter Pangquee (Chan Ward);

Councillor *_to be voted on at meeting_* (Lyons Ward);

Councillor Jimmy Bouhoris (Richardson Ward);

Councillor Kim Farrar (Waters Ward).

PURPOSE

The purpose of this report is to adopt the revised Terms of Reference and appoint Elected Members to the Chief Executive Officer Performance Appraisal Committee where current appointments have expired.

KEY ISSUES

- The Terms of Reference for the Chief Executive Officer Performance Appraisal Committee (the Committee) were reviewed and adopted by the Committee at the meeting on 16 November 2023. They are now presented to Council for approval.
- Council must, by resolution, appoint Elected Members as committee members.
- The previous Committee was appointed by Council at the meeting on 12 July 2022 for the period until 30 September 2023.
- On 28 February 2023 a female Councillor was appointed as an additional Committee member to ensure there is female representation.
- An extension of the Committee term until 28 February 2024 was approved by Council at the meeting on 17 October 2023.

DISCUSSIONTerms of Reference

A review of the Terms of Reference (ToR) was undertaken, and the revised ToR at **Attachment 2** were endorsed by the Committee at the Chief Executive Officer Performance Review meeting on 16 November 2023.

An overview of the changes is set out below:

Membership

There is no stipulated expectation of gender representation in the current ToR which led to appointment of a committee without any female representation. Subsequently, an additional female Councillor was elected to the Committee to ensure there is female representation. It is recommended to include an expectation around representation of both genders in the revised ToR.

Another proposed change to the membership, includes one Elected Member from each Ward.

The current ToR didn't contain any information about the roles and responsibilities of the Committee members. An additional section has been included to provide the responsibilities and expectations of the members.

Meeting Frequency

Meeting frequency is currently stipulated as a minimum of four meetings, which is not required. It is recommended to change the frequency to at least two meetings, and no more than four between February and November. The Committee can hold further meetings as required.

Governance and Legislative Requirements

The Governance team has also included governance and legislated requirements for consistency across all Council Committee ToR.

Council approval is sought for the revised ToR at **Attachment 2**.

Appointment of Elected Members to Committee

Council appoints members to committees on an annual basis, unless otherwise specified in the ToR.

Elected Members have been requested to nominate for positions on the Committee as outlined in the recommendation.

Committee membership will be for the period 1 March 2024 to 28 February 2025.

15 RECEIVE & NOTE REPORTS**15.1 MONTHLY FINANCIAL REPORT - FEBRUARY 2024**

Author: Financial Controller
Executive Manager Finance

Authoriser: Chief Executive Officer

Attachments: 1. Monthly Financial Report - February 2024 [↓](#)

RECOMMENDATIONS

THAT the report entitled Monthly Financial Report – February 2024 be received and noted.

PURPOSE

The purpose of this report is to provide a summary of the financial position of Council for the period ended 29 February 2024.

Further, this report and the contents are required to be presented to Council in compliance with the *Local Government (General) Regulations 2021*.

KEY ISSUES

The Monthly Financial Report includes:

- Income Statement, which compares actual YTD income and expenditure against YTD budget.
- Fund Flow Statement (Monthly Operating Position), which outlines the effect on General Funds.
- Statement of Financial Position (Balance Sheet), which outlines what Council owns (assets) and what it owes (liabilities) at a point in time.
- Notes to the Balance Sheet, this includes further details on the Cash Balance, Trade Debtors, Trade Creditors, and a statement on Council's current payment and reporting obligations.
- Investments, which provides details of treasury activities, investments as at end of month.
- Rates and Receivables Report which provides a summary of outstanding rates and debtors.
- Procurement Reporting, which is a summary of contract variations and exempt procurement.
- Capital Expenditure and Funding, which compares YTD capital expenditure and funding against YTD budget.

Planned Major Projects Capital Works, provides a high-level financial overview of our major projects at a point in time.

DISCUSSION**February 2024 – Year to Date Result**

The year-to-date operating result until 29 February 2024 is a **deficit of (\$7.0M)** compared to a **YTD Budgeted deficit of (\$13.0M)** as highlighted in the table below.

After including capital income, the **Net Surplus is \$1.9M** against the YTD budgeted **deficit of (\$4.4M)**. This has resulted in a favourable **\$6.4M** variance overall (as shown in the income statement).

	Actual \$'000	Budget \$'000	Variance \$'000
Net Operating Surplus/ (Deficit)	(7,000)	(13,037)	6,037 Favourable

Commentary

The Net Operating Position has a favourable variance to the year-to-date revised budget of \$6.04M. The variance results from lower than budgeted materials and contracts, employee costs, and interest expense, offset by lower than anticipated fees and charges. Please find below additional commentary for the material variances:

Income

Total Operating Income is tracking below budget by \$3.0M.

User Fees & Charges

The unfavourable variance is \$5.1M. This is mainly due to Waste Fees & Charges being under YTD expectations as the volume of material received through Shoal Bay is lower than anticipated. This reduction in revenue is partially offset by a decrease in waste related expenditure.

Interest / Investment Income

The favourable variance mainly relates to the increase in returns received on investments due to the high Reserve Bank of Australia (RBA) cash rate.

Expenditure

Total Expenses are under budget by \$9.1M. This is due to underspends in Materials & Contracts \$6.5M, and Employee Expenses of \$2.2M.

Materials & Contracts

Materials and Contracts expenses has an annual budget of \$63.9M and this incorporates various expenditure types. Combined, this budget line is under budget with a variance of \$6.5M. This largely relates to expenses associated with waste management at Shoal Bay Waste Management Facility (SBWMF), which is offset by a reduction in revenue. The favourable variance is currently forecast to become a realised favourable variance and the budget will be adjusted at the 2nd Budget Review.

Other variances mainly relate to timing of programs. A timing variance relates to a budgeted revenue or expense that has not occurred at the time it was expected, but which is still expected to occur within the budget year. That is, the financial transaction will still occur - but just in a different month. With the timing variances there should be no impact on the projected budget.

Employee Expenses

Employee costs report a positive variance to budget of \$2.2M. This variance is offset in part by increases in contract and other labour sources and the variance will further reduce when leave provisioning is adjusted at year end.

Depreciation and Amortisation

Depreciation is over budget by \$1.2M, this is a non-cash expense and will be considered at a future budget review.

Interest Expenses

Interest expenses show a positive variance (\$1.4M) due to loan offsets been utilised against the variable loans and timing of the draw down for loan SBWMF Stage 2 Expansion, Phase 1.

Statement of Fund Flows

The variances are related to a mismatch in the timing of projects and budget profiles, and the reasons described above under operating statement commentary. Purchase of Infrastructure, Property, Plant & Equipment variance relates to timing of capital projects.

Cash and Investments Note A

City of Darwin has achieved 4.92% on weighted average interest rate on its February 2024 cash and investment portfolio of \$88.8M (excluding loan offset \$37.5M). There have been no investment policy breaches in this month.

The Investment Reports include surplus cash funds that are placed against variable loans. These funds are considered 'at call' as they can be accessed in short time frames.

Treasury Comment

The RBA met on 6 February 2024 and the board decided to leave the cash rate unchanged at 4.35%. The RBA commented "while recent data indicate that inflation is easing, it remains high. The Board expects that it will be some time yet before inflation is sustainably in the target range. The path of interest rates that will best ensure that inflation returns to target in a reasonable timeframe will depend upon the data and the evolving assessment of risks, and a further increase in interest rates cannot be ruled out. The Board will continue to pay close attention to developments in the global economy, trends in domestic demand, and the outlook for inflation and the labour market."

Accounts Receivable (Trade Debtors) Note B

This section considers the receipt timing of Rates collection and any general Debtors outstanding. The report also includes information on aged debtors including general debtors, infringements, and Rates arrears.

Accounts Payable (Trade Creditors) Note C

Accounts Payable owing at 29 February 2024 was \$10.5M at the time of reporting. City of Darwin recognises the liability of invoices once goods are receipted as received.

Other notes to the financial reports

The Council has met its payment and reporting obligations for GST, Fringe Benefits Tax, PAYG withholding tax, superannuation, and insurance for the month.

Our internal accounting conventions for monthly reporting currently recognise the Council Rates that are attributable to that month and then progressively throughout the year.

Please note that these reports are unaudited management financial reports. Information contained in the reports was current as at the date of the reports and may not reflect any event or circumstances which occurred after the date the reports were completed.

Procurement Reporting

Under the Local Government (General) Regulations, Council is required to disclose at the next Council meeting and on the City of Darwin website:

- contract variations:
 - where a tender was not required, however the total cost exceeds \$100,000, or
 - where a contract requiring a tender is varied by 10%.
- exempt procurement greater than \$100,000

Contract Variations

There were no reportable contract variations for February 2024.

Exempt Procurement

There was no reportable exempt procurement for February 2024.

Certification by the CEO to the Council

That, to the best of the CEO's knowledge, information and belief:

- (1) The internal controls implemented by the council are appropriate; and
- (2) The council's financial report best reflects the financial affairs of the council.

East Point Reserve Advisory Committee Meeting Minutes

15 February 2024

1. THAT the report entitled Member Reports, regarding any on-the-ground updates, ideas and concerns relating to site management and decision-making, be received and noted.
2. THAT the East Point Advisory Committee recommends that City of Darwin officers consider the following member concerns:
 - a) Damaged sprinklers around the reserve
 - b) Mahogany trees on Fannie Bay Equestrian Club site require an arborist assessment
 - c) Shared pathway section near PeeWees needs widening
 - d) Shared pathway needs increased signage or speed bumps
 - e) Remaining section of Monsoon Forest path needs upgrading

.CARRIED 10/0**6.2.1**

Friends of East Point Helen Haritos noted that the Friends of East Point are having a community planting day Sunday 18 Feb from 8-10am opposite Lake Alexander off Colivas Road.

6.2.2

Community Representative Lorraine Corrowa highlighted the importance of the erosion issue at East Point Reserve and is keen to push for this to be prioritised by Council due to the high community usage of the area.

6.2.3

Fannie Bay Equestrian Club Anja Zimmerman commented that some damaged sprinklers around East Point have been replaced with a more visible structure but some remain and are a public safety concern for people and horses. Anja also mentioned that the mahoganies on site need an arborist assessment. Otherwise, Anya noted that Fannie Bay Equestrian Club have undertaken two toad busts, are going well with their weed management and have some resident goannas. Anja added that the shared pathway section near PeeWees needs widening due to high-use. This was supported by Ben Smith.

6.2.4

Larrakia Nation Ben Smith advised that Larrakia Rangers applied for an NT Ranger Grant to collaborate with Biodiversity Watch on their cane toad taste aversion therapy for goannas but were unsuccessful. Larrakia Nation will consider alternative support to undertake this or similar work in East Point.

6.2.5

Community Representative Serena Ragosta raised safety concerns about the speed of cyclists on shared footpaths and requested increased signage or speed bumps to slow them down. This was seconded by Lorraine Corrowa.

6.2.6

Birdlife NT Lou Martini also suggested upgrading the remaining section of the Monsoon Forest path. He noted that the fauna survey used Birdlife Shorebird data and would have been good if Birdlife were acknowledged and consulted.

6.2.7

Museum and Art Gallery of the NT Kirsten Abbott noted in regard to the Dudley Point Fishing Platform that NT Fisheries are commencing a new Land and Sea Compliance Program for Darwin Harbour for the committee's future reference.

10 CLOSURE OF MEETING TO THE PUBLIC**RECOMMENDATIONS**

THAT pursuant to Section 65 (2) of the Local Government Act and Regulation 8 of the Local Government (Administration) Regulations the meeting be closed to the public to consider the Confidential Items of the Agenda.

RECOMMENDATIONS

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 99(2) of the Local Government Act:

14.1 Cyclone Tracy Commemorative Program update

This matter is considered to be confidential under Section 99(2) - 51(e) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with subject to subregulation 51(3) – information provided to the council on condition that it be kept confidential and would, if publicly disclosed, be likely to be contrary to the public interest.

14.2 Cyclone Tracy Commemorative Signage Project

This matter is considered to be confidential under Section 99(2) - 51(c)(i) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

14.3 Members Verbal Updates

This matter is considered to be confidential under Section 99(2) - 51(e) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with subject to subregulation 51(3) – information provided to the council on condition that it be kept confidential and would, if publicly disclosed, be likely to be contrary to the public interest.

The Meeting closed at 11:09 am.

The minutes of this meeting were confirmed at the Cyclone Tracy Commemoration Advisory Committee held on 25 March 2024.

15.3 POLICY MANAGEMENT - 23RD COUNCIL POLICY REVIEW SCHEDULE

Author: Corporate Compliance Officer

Authoriser: Risk Management Coordinator

Attachments: 1. Council Policy Register [↓](#)

RECOMMENDATIONS

1. THAT the report entitled Policy Management – 23rd Council Policy Review Schedule be received and noted.
2. THAT Council note the list of policies contained within the report which are scheduled for review and adoption at nominated meeting dates and no later than 31 December 2024.

PURPOSE

The purpose of this report is to present to Council the status of the 23rd Council Policy Review Schedule.

KEY ISSUES

- Council adopts policies and procedures to support the implementation of Council's Strategic and Municipal Plans and to meet legislative requirements.
- All policy documents are reviewed as a minimum once per term of Council.
- The review schedule is presented to Council at least annually with the last schedule presented to Council in September 2023.

DISCUSSION

The legislative requirement is for all Council policies to be reviewed once per term of Council. Policies may be reviewed more frequently as required and determined by Council decision.

To assist Council and the organisation with a strategic and planned approach to policy review, a review schedule was developed and initially presented to Council in December 2017. The last policy review schedule for the 23rd Council was presented in September 2023.

All policy reviews will be scheduled for completion by June 2025 prior to any caretaker period leading up to the next election in August 2025.

All 2024 scheduled policy reviews have been given a prospective nominated meeting date for presentation to Council. This review schedule will be monitored by management on a regular basis.

At the commencement of the 23rd Term of Council, the full suite of Council policies totalled 52 policies. There are currently 64 active Council policies at **Attachment 1**.

Policies due for review in the next six (6) months, are outlined below:

Policy #	Title	Responsible hub	Review due	Council meeting

RECOMMENDATIONS

THAT the report entitled Update on Code of Conduct Outcomes be received and noted.

PURPOSE

The purpose of this report is to provide Council with an update on the progress of outcomes arising from Code of Conduct matters.

KEY ISSUES

- Council will be provided an update on resolved Code of Conduct matters and completion of any actions recommended.

DISCUSSION

In accordance with Regulation 76(1) of the *Local Government (General) Regulations 2021*, a report containing the following is provided at each meeting:

- The procedural progress of each complaint in relation to a Council member; and
- The item of the Code of Conduct allegedly contravened.

This report supplements that report by giving Council an update on the completion of required outcomes for all concluded Code of Conduct matters.

15.5 ELECTED MEMBER ALLOWANCES 2024/2025

Author: Manager Office of Council and CEO

Authoriser: Chief Executive Officer

Attachments: 1. Determination of Allowances for Elected Members [↓](#)

RECOMMENDATIONS

THAT the report entitled Elected Member Allowances 2024/2025 be received and noted.

PURPOSE

The purpose of this report is to present the Elected Member Allowances for 2024/2025.

KEY ISSUES

- Elected Member Allowances are set in accordance with the *Local Government Act 2019*.
- The Remuneration Tribunal Report and Determination No. 1 of 2024 – Allowances for Members of Local Government Councils was made on 29 January 2024 and tabled in the Northern Territory Legislative Assembly on 14 February 2024.
- The Determination is considered made on the date it was signed by the Tribunal, which was 29 January 2024.
- Policy and guidance documents will be updated accordingly and prior to July 2024.
- The Tribunal's Determination is final and requires no further approval.

DISCUSSION

Council must set Elected Member allowances for each financial year when it adopts its annual budget. On 6 April 2023, the Administrator of the Northern Territory, issued a request to the Remuneration Tribunal to determine the allowance.

The Determination is considered made on the date it was signed by the Tribunal, which was 29 January 2024. This means that the Determination comes into effect on 1 July 2024. The Determination of allowances for members of local councils is at **Attachment 1**.

The table below outlines the 2024/25 maximum allowances that can apply to City of Darwin Elected Members.

LORD MAYOR

Type of Allowance	Allowance payable from July 2024
Base Allowance	\$127,200.00
Councillor Allowance	\$31,775.00
Professional Development Allowance	\$4,000.00

Councillor Allowance	\$31,775.00
Professional Development Allowance	\$4,000.00
Extra Meeting Allowance	up to 2 hours \$200.00 between 2 and 4 hours \$300.00 more than 4 hours \$500.00 (maximum payable for any one day)
Maximum Extra Meeting Allowance	capped at \$10,000.00

COUNCILLOR

Type of Allowance	Allowance payable from July 2024
Councillor Allowance	\$31,775.00
Professional Development Allowance	\$4,000.00
Extra Meeting Allowance	up to 2 hours \$200.00 between 2 and 4 hours \$300.00 more than 4 hours \$500.00 (maximum payable for any one day)
Maximum Extra Meeting Allowance	capped at \$10,000.00
Vehicle Allowance	capped at \$10,000.00 involves travel 50kms from home base, 100kms return

Councillor Allowance

The Councillor Allowance covers those activities required of a Council Member in the performance of his or her role as an elected representative.

The Councillor Allowance is to cover:

- any cost to Councillors for attending meetings and activities of Council where these costs are not reimbursed by Council
- contribution towards phone and internet usage
- contribution towards any home and office supplies
- allowance towards costs incurred in servicing constituents in Ward or Council Area, including, but not limited to:
 - donations
 - organisation sponsorship
 - membership fees
 - patron expenses
 - constituent support

Professional Development Allowance

An allowance payable to Council Members to attend appropriate and relevant conferences or training courses which sustain a member's professional competence by keeping the member informed of, and able to comply with, development in professional standards applicable to their role as a Council Member. Any such course/conference must have approval and be in line with Council policy to attract this allowance.

The Professional Development Allowance is \$4,000.00 in a financial year and will now be more flexible. The total of two years' worth of allocations can be used in one financial year, as long as the Councillor would still be within their elected term.

Extra Meeting Allowance

Elected Members may claim an extra meeting allowance for various meetings including:

- Special Council Meetings and Workshops
- City of Darwin Executive and Advisory Committees
- Outside Committees with Local Government Association of the Northern Territory appointed representation
- Outside Committees with City of Darwin appointed representation
- Councillor Briefings
- Workshops hosted by City of Darwin
- Attendance at professional development courses/conferences that are approved and in addition to the Professional Development Allowance

Members must have attended at least 75% of the duration of a meeting to claim an extra meeting allowance and up to a maximum of two extra meetings per day may be claimed not exceeding the maximum payable for any one day.

The Extra Meeting Allowance must not be paid for Ordinary Council Meetings as they are covered in the base allowance.

The Extra Meeting Allowance may be accessed by all Councillors and Deputy Principal Members.

The Extra Meeting Allowance is paid per meeting but is capped for each financial year at \$10,000.00. The amount payable is determined by the length of the meeting.

(Remuneration and Other Entitlements) Act 2006*

LOCAL COUNCILS**

REPORT ON DETERMINATION NO. 1 OF 2024

1. INTRODUCTION

On 6 April 2023, pursuant to section 7B(1) of the *Assembly Members and Statutory Officers (Remuneration and Other Entitlements) Act 2006* (AMSORE Act), His Honour Professor the Honourable Hugh Heggie PSM, Administrator of the Northern Territory, issued a request to the Remuneration Tribunal (the Tribunal) to inquire into and determine the allowance or allowances payable to a member of a local council.

The resulting Report and Determination must be tabled in the Legislative Assembly within six sitting days of receipt by the Minister.

Under section 7B(7) of the AMSORE Act, the allowances determined are effective from either:

- the next financial year if the report is made on or before 1 February; or
- from the financial year after the next financial year if the report is made after 1 February.

On 18 August 2023, individual letters were sent to each Council inviting submissions and offered to hold a discussion with each Council either in person or through a video link. On 26 August 2023, an advertisement was placed in the NT News to announce the inquiry and invite submissions.

Further correspondence invited Councils to arrange to meet with the Tribunal and 8 meetings were held with Councils and one with Local Government Association of the Northern Territory (LGANT).

The Tribunal received ten submissions from the following Councils as well as LGANT:

- City of Palmerston Council
- Alice Spring Town Council
- MacDonnell Regional Council
- Central Desert Regional Council
- Roper Gulf Regional Council
- East Arnhem Regional Council
- West Arnhem Regional Council
- Victoria Daly Regional Council
- Wagait Shire Council

2. VEHICLE ALLOWANCE FOR THE USE OF PRIVATE VEHICLES

Following the introduction of the vehicle allowances capped at \$5000 per year, the Tribunal received representations from a number of Councils indicating that the cap did not cover the real cost of travel to Council Meetings. The Tribunal accepts that allowances must be fair and equitable, and Councillors should not be out of pocket when attending meetings and activities approved by Council. However, the Tribunal has been hampered by the lack of detail of cost provided from most Regional Councils.

The Tribunal has increased the cap to \$10 000 a year, but Councils need to take into account the cap and ensure that policies and procedures are in place to avoid unnecessary meetings involving travel.

In addition to the lifting of the cap, the Tribunal has made two other changes in the Determination to assist Regional Councillor's travel costs.

Firstly, the Tribunal recognises that many Councillors are required to attend local government authority meetings in their ward. The Tribunal has determined that vehicle allowances paid to attend local authority meetings in their ward will not be included in the cap.

Secondly, the Tribunal determined travel time to and from Council Meetings should be paid and this is addressed in Clause 3 below.

3. TRAVEL TIME

The Tribunal is aware that some regional councillors travel long distances to attend Council Meetings and this travel time is not remunerated. Additionally, some councillors need to take time off work for this travel time. While the councillors are paid an annual allowance, it is not intended to cover loss of wages.

Accordingly, the Tribunal has recognised this situation and has extended the payment of extra activity allowance to cover travel time while travelling to Council Meetings and local authority meetings in the new Determination.

4. PROFESSIONAL DEVELOPMENT ALLOWANCE

The Tribunal noted that the Professional Development Allowance included in the 2023 Determination has been interpreted by many councils to limit payment to cover the registration or attendance fee only of the particular professional development activity. This has resulted in some councillors being out of pocket for associated costs including travel and travel time.

The Tribunal sees the Professional Development Allowance regard as an all-inclusive allowance covering associated costs up to \$4000 a year.

The Tribunal has also raised the Professional Development Allowance for Councillors in Shire Councils to \$4000 each year.

5. COUNCILLOR'S ALLOWANCE

The Tribunal has made two changes to the base councillor's allowance. Firstly, it has reviewed the factors that it considers when establishing the various levels of the base allowance. The Tribunal has added total assets and annual financials to these factors. Consequently, the Tribunal has created an additional level within the base so that Palmerston City Council should sit just above Alice Springs and Litchfield Councils but below Darwin Council.

The Tribunal has also increased the basic allowances paid to every Councillor by 2.5% in recognition of general wage and salary increases across the Territory over the past year.

6. EXTRA MEETING / ACTIVITY ALLOWANCE

The Tribunal has made minor changes in the Determination to ensure that the activity allowance is accessed when attending an approved function of Council.

The Tribunal has kept the Allowance at a maximum of \$10 000 following the lack of any evidence showing that this maximum is inadequate for any particular Councillor.

7. RESETTLEMENT ALLOWANCE

The Tribunal received representation from a number of Councils regarding a resettlement allowance for Mayors when they leave office.

The submissions indicated that the mayoral role was the single source of income for many mayors, therefore financial hardship was a possible outcome when the mayor departs the role.

Similar representation was made in relation to councillors including those that have been suspended without notice.

These issues may be considered in any future Remuneration Tribunal's Inquiry.

8. SUPERANNUATION

A number councils raised the issue of superannuation; however, the AMSORE Act specifically excludes the Remuneration Tribunal's consideration.

9. FUTURE INQUIRIES

This is the second inquiry into Members of Local Government Council Allowances by the Tribunal and it has been useful for the Tribunal to address some factors that were outstanding from 2022 Inquiry.

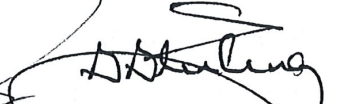

The Tribunal believes that there are still some outstanding issues that need addressing and these would be enhanced with face-to-face meetings with some Councils outside of Darwin. An Inquiry in 2025 will also allow Councils and Councillors to raise any issues that have resulted from the first two Determinations.

The Tribunal would appreciate feedback from Councils as to the adequacy of allowances mentioned in the Determination.

3. INCLUSIONS OF ALL ALLOWANCES

The Allowances are to cover:

- any cost to Councillors of attending meetings and activities of Council where these costs are not reimbursed by Council;
- contribution towards phone and internet usage;
- contribution towards any home office and supplies; and
- allowance towards costs incurred in servicing constituents in Ward or Council Area:
 - Including, but not limited to:
 - donations;
 - organization sponsorship;
 - membership fees;
 - patron expenses; and
 - constituent support.

4. EXTRA MEETING / ACTIVITY ALLOWANCE

- 4.1. An Extra Meeting / Activity Allowance of up to \$10,000 per financial year, may be accessed by all Councillors and Deputy Principal Members. The allowance may be accessed as follows:

- special meetings of full Council or established committees of Council;
- attendance at Local Authority Meetings within the Ward the member represents;
- attendance at any functions representing the Principal Member on official Council duties;
- attendance at functions/meetings as an invited representative of Council and with Council's approval; and
- attendance at any approved extra meetings of Council for planning, briefing or information sessions of council meetings.

The activity allowance may be paid as travel time when travelling to Council meetings and meetings of Local Authorities within the ward the Councillor represents, where the travel involves at least 50kms from home base (at least 100kms return). This activity Allowance is not to be included in the cap of \$10 000.

- 4.2. Allowances to be paid to eligible members (not including Principal Members) are:

 - travel to and from statutory Council meetings;
 - travel to and from official Council approved meeting;
 - travel to and from approved functions representing the Principal Member;
 - travel to and from Local Authority Meetings within the ward the Councillor represents.
 - travel to and from all meetings of Council and their committees; and
 - travel to and from any additional activity where Extra Meeting/Activity Allowance has been approved.
- 6.4. When a kilometre reimbursement is paid, travel time will also be paid utilising extra meetings/activities rate. This payment is not to be included in the extra meetings/activities cap as specified in Clause 4.1.
- 6.5. The Vehicle Allowance Cap will not include:
 - travel to and from Local Authorities Meetings within the Ward that the member represents;
 - travel involved with Professional Development activities;

7. PROVISION OF MOTOR VEHICLE

- 7.1. Principal Members of Municipal and Regional Councils are entitled to a Council maintained vehicle.
- 7.2. If Principal Members of Municipal and Regional Councils choose not to be provided with a Council maintained vehicle, they are entitled to Motor Vehicle Allowance, paid fortnightly or monthly, and will be:
- \$25,000 per year for Municipal Principal Members; or
 - \$40,000 per year for Regional Principal Members.
- 7.3 The Principal members of the Shire Councils may claim reimbursement in accordance with Clause 6.1.

8. TRAVEL ALLOWANCE

- 8.1 Principal Members, Deputy Principal Members and Councillors who are required to stay away from home overnight on approved Council business, will be entitled to Travel Allowance.
- 8.2 The applicable rates to be paid are found in Table 1 of Taxation Determination TD 2023/3 or any subsequent Taxation Determination made in substitution of that Determination.

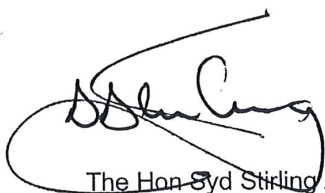

9. GENERAL

- 9.1. Pursuant to section 7B(7) of the *Assembly Members and Statutory Officers (Remuneration and Other Entitlements) Act 2006*, the allowances determined are effective from either:
- the next financial year if the report is made on or before 1 February; or
 - from the financial year after the next financial year if the report is made after 1 February.

RECOMMENDATIONS

THAT the report entitled Engagement Outcomes – Nightcliff Oval Changerooms Proposal be received and noted.

PURPOSE

The purpose of this report is to present the outcomes of the Nightcliff Oval Changerooms Proposal.

KEY ISSUES

- A stakeholder and community engagement process ran from 22 January to 5 February 2024.
- Communications materials and activities included:
 - Landing page on the Engage Darwin website, including FAQs and survey
 - Letter/emails to stakeholders and residents
 - Media release
 - Media engagements with Lord Mayor
 - Social media posts
 - Signage
 - News articles on City of Darwin website and staff and Elected Member intranets
 - Digital Screens at City of Darwin libraries and Customer Service
- An engagement report from City of Darwin officers is available at **Attachment 1**, which includes analysis of the survey responses and written submissions.
- Detailed survey responses are available at **Attachment 2**.
- The sentiment from survey responses was supportive of the Nightcliff Oval Changeroom Proposal with 90.4 per cent of respondents in support of AFL NT's proposal to construct new changeroom facilities, 4.1 per cent opposed and 5.5 per cent "other" providing a detailed response.

DISCUSSION

With endorsement from Council, City of Darwin officers conducted a stakeholder and community engagement process from 22 January to 5 February 2024.

Using the International Association for Public Participation principles that guide good community engagement, the engagement was conducted at the levels of inform and consult.

The goal of this engagement process was to ensure that the Nightcliff Oval Changeroom proposal was undertaken with strong input from key stakeholders and the broader community.

Engagement objectives

- Inform the community and key stakeholders about AFL NT's proposal to build a fit-for-purpose, four-room change room complex.
- Seek feedback on the proposed fit-for-purpose, four-room change room complex.
- Explore the current usage, preferences, and local knowledge of the Nightcliff Oval facilities.

Communications and engagement tactics

City of Darwin used communications and engagement tactics such as to raise awareness of the proposal and associated engagement process:

- Landing page on the Engage Darwin website, including FAQs and survey.
- Letter/emails to stakeholders and residents
- Media release
- Media engagements with Lord Mayor
- Social media posts
- Signage
- News articles on City of Darwin website and staff and Elected Member intranets
- Digital screens at City of Darwin libraries and Customer Service.

Engagement reach snapshot

The snapshot of the reach of the engagement process is provided below:

- 552 people aware through Engage Darwin website.
- 379 people informed through Engage Darwin website.
- 218 survey submissions through Engage Darwin website.
- 22,108 people reached on social media (via official City of Darwin accounts).

Consultation outcomes

Some 218 survey submissions were made during the 15-day consultation.

The sentiment from survey responses was positive for the Nightcliff Oval Changerooms Proposal:

Do you support AFL NT's proposal to construct new changeroom facilities at Nightcliff Oval?

Question options

● Yes ● No ● Other (please specify)

Key feedback in support of the Nightcliff Oval Changeroom Proposal centred around the need for updated modern facilities; appropriate changeroom/bathroom facilities for non-male players; amenities that were larger to accommodate multiple teams at once and improving community cohesion.

Opposers raised concerns about the amount of money being spent stating it was too high and held the belief that money should be spent on facilities that are more deteriorated. There were conflicting views and understanding about gender neutral facilities for female and gender diverse community members.

PREVIOUS COUNCIL RESOLUTION

At the 14 November 2023 meeting Council resolved:

RESOLUTION ORD712/23

1. THAT Council provides approval for the AFL NT and Nightcliff Football Club Change Rooms Proposal to progress to community engagement.
2. THAT If Council endorses the recommendation, a community engagement process will be prepared and undertaken by City of Darwin, anticipated to take place in February/March 2024.
3. Following the completion of community engagement, a receive and note report detailing the outcomes of the engagement process will be presented to Council.

4. THAT A further report will also be presented to Council seeking final approval for the new change room facility proposed at Nightcliff Oval. The report will include:
- Funding confirmation
 - The outcomes of City of Darwin's community engagement process
 - Design and technical specifications, including accessibility requirements
 - Financial planning for ongoing maintenance and renewal.

At the 14 March 2023 meeting Council resolved:

RESOLUTION ORD084/23

1. THAT Council notes the desire of Nightcliff based sporting clubs to construct new, fit for purpose, player and umpire change rooms at Nightcliff Oval that will support the rapid growth in female participation, expand the availability of Council infrastructure to a wide range of community users and enable the ongoing use of the Oval by AFLNT for Premier League football matches.
2. THAT further to the in-principle support provided by Council (Resolution ORD067 /22 on 22 February 2022) for the revised Nightcliff Oval Masterplan, the CEO writes to the lead proponent (Nightcliff Football Club) outlining the detailed information required for a project proposal for new change rooms at Nightcliff Oval to be considered by Council, including consultation activities, designs and technical specifications, cost estimates and approvals.
3. THAT the project proposal is presented to Council at a future date for consideration of approval and funding (with other levels of government and organisations).
4. THAT a report is provided to Council with:
 - a) An update of the City of Darwin Sporting Oval Infrastructure Priorities document with input from peak sporting bodies on current upgrade priorities, including lighting.
 - b) Steps required to promote Nightcliff Oval from a 'District' facility to a 'Regional' facility under the Sports Field Plan 2016-2026.

At the 22 February 2022 meeting Council resolved:

RESOLUTION ORD067/22

1. THAT the report entitled Revised Nightcliff Oval Masterplan be received and noted.
2. THAT Council provides in-principle support for the revised Nightcliff Oval Masterplan at Attachment 1.
3. THAT approval for any upgrades proposed in the revised Nightcliff Oval Masterplan are subject to:
 - (a) Funding confirmation.
 - (b) City of Darwin's community consultation process.
 - (c) Detailed design and technical specifications, including accessibility requirements, being to the satisfaction of City of Darwin.
 - (d) Financial planning for ongoing maintenance and renewal.

Executive summary

Background

Nightcliff Oval is considered a District level oval under City of Darwin's Sports Field Plan 2016-2026. It caters for AFL and cricket and includes one of only four turf cricket wickets at City of Darwin ovals. The venue is the home ground for Nightcliff Football Club and Nightcliff Cricket Club. Traditionally clubs have used a combination of the existing change rooms and neighbouring Nightcliff Sports Club changerooms. However, Nightcliff Sports Club have shared plans to redevelop their facilities which will remove their current change rooms. Both clubs have experienced a growth in membership and advised that the remaining change rooms will not be sufficient to accommodate current player numbers once the Nightcliff Oval Sportclub redevelops their facilities.

In February 2022, Council provided in-principle support for the stakeholders revised Nightcliff Oval Masterplan. A key project in the masterplan and an immediate priority for AFL NT and the Nightcliff Football Club is the proposed new fit-for-purpose, four-room change room complex, aimed at providing a safe, inclusive environment for oval users.

Approval for any upgrades proposed in the revised Nightcliff Oval Masterplan are subject to:

- (a) Funding confirmation.
- (b) City of Darwin's community engagement process.
- (c) Detailed design and technical specifications, including accessibility requirements, being to the satisfaction of City of Darwin.
- (d) Financial planning for ongoing maintenance and renewal.

With endorsement from Council (RESOLUTION ORDER ORD712/23) City of Darwin conducted an engagement process which commenced on 22 January 2024 and ended on 5 February 2024.

Engagement

Some 218 survey submissions were made during the 15-day engagement period. Using the International Association for Public Participation (IAP2) spectrum of engagement, engagement was conducted at the levels of inform and consult. City of Darwin used tactics such as a survey on the Engage Darwin website, letter/emails to stakeholders and residents, social media content, proactive and reactive media relations, and internal communications.

The sentiment from survey responses was positive for the Nightcliff Oval Changeroom Proposal with 90.4 per cent of respondents supporting AFL NT's proposal to construct new changerroom facilities at

Nightcliff Oval, 4.1 per cent in opposition of the proposal, and 5.5 per cent that responded “other” and provided an extended comment.

Key feedback in support of the Nightcliff Oval Changeroom Proposal centred around the need for updated modern facilities; appropriate changeroom/bathroom facilities for non-male players; amenities that were larger to accommodate multiple teams at once and improving community cohesion. Opposers raised concerns about the amount of money being spent stating it was too high and held the belief that money should be spent on facilities that are more deteriorated. There were conflicting views about gender neutral facilities for female and gender diverse community members.

Communication recommendations

Based on the feedback received during the engagement process, it is recommended that:

- 1 The feedback outlined in this engagement report informs the decision to upgrade the Nightcliff Oval Changerooms.

This can be achieved through:

- Reviewing all feedback.

- 2 If endorsed, City of Darwin should undertake a communication program to inform all stakeholder groups and the broader Darwin community as to how feedback has been incorporated into the proposal.

This can be achieved through:

- Updating relevant City of Darwin landing pages.
- Notifying key stakeholders when changes come into effect.
- Announcing changes to community via social media content.
- Where possible and relevant Lord Mayor to mention changes during media engagements.

- 3 City of Darwin make the engagement report available to the community and stakeholders on the Engage Darwin website.

Background

AFL NT is proposing the construction of a new fit-for-purpose, four-room changeroom complex at Nightcliff Oval to better support users of the oval. Council has provided in-principle support to AFL NT for the proposal however this support is subject to engagement with the community.

Nightcliff Oval is considered District level under City of Darwin's Sports Field Plan 2016-2026. It caters for AFL and Cricket and includes one of only four turf cricket wickets at Council ovals. The venue is a home ground for Nightcliff Football Club and Nightcliff Cricket Club. Traditionally clubs have used a combination of the existing change rooms and neighbouring Nightcliff Sports Club changerooms. However, Nightcliff Sports Club have shared plans to redevelop their facilities which will remove their current change rooms. A key project in the masterplan and an immediate priority for AFL NT and the Nightcliff Football Club is the proposed new fit-for-purpose, four-room change room complex, aimed at providing a safe, inclusive environment for oval users.

The Nightcliff Oval Masterplan is estimated to cost \$1.8 million; AFL have contributed a funding pledge of \$250,000, AFL NT have contributed \$50,000 funding to develop plans.

Approval for any upgrades proposed in the revised Nightcliff Oval Masterplan are subject to:

- (a) Funding confirmation.
- (b) City of Darwin's community engagement process.
- (c) Detailed design and technical specifications, including accessibility requirements, being to the satisfaction of City of Darwin.

Methodology

Goals and objectives

The **goal** of this engagement process was to ensure that the Nightcliff Oval Changeroom proposal was undertaken with strong input from key stakeholders and the broader community.

The objectives were to:

Engagement report

Page 5 of 21

- Inform the community and key stakeholders about AFL NT’s proposal to build a fit-for-purpose, four-room change room complex.
- Seek feedback on the proposed fit-for-purpose, four-room change room complex.
- Explore the current usage, preferences, and local knowledge of the Nightcliff Oval facilities.

Level of engagement

City of Darwin has a policy on community engagement with a commitment to open, transparent, and responsive community engagement. Using the International Association for Public Participation (IAP2) principles that guide good community engagement, this engagement was conducted at the levels of inform and consult.

City of Darwin provided the public with balanced and objective information to assist understanding the project and obtained public feedback.

Approach

The engagement approach for Nightcliff Oval Changeroom Proposal was divided into two ‘streams’ – internal engagement and stakeholder and community review and feedback.

Resourcing

City of Darwin led this engagement through the Communications and Engagement Officer with support from the Executive Manager Marketing, Communications and Engagement, General Manager Community, Executive Manager Infrastructure and Coordinator Recreation and Leisure.

Tools and tactics

A combination of tools and tactics were used to support the engagement process, as summarised below.

Nightcliff Oval changeroom proposal

Consultation has concluded

AFL NT is proposing the construction of a new fit-for-purpose, four-room changeroom complex at Nightcliff Oval to better support users of the oval.

The proposed facility aims to:

- create gender neutral facilities that support the demand of user groups
- create opportunity to develop partnerships with other community groups to use the space
- increase sporting activities participation
- create a safe and enjoyable space for participants, promoting inclusivity and equity
- provide a welcoming environment for spectators and volunteers.

Concept design for the proposed facility includes:

- Four change rooms
- Two accessible toilets
- Two trainers' rooms
- Medical room
- Office
- Canteen and storeroom

Council has provided in-principle support to AFL NT for the proposal however this support is subject to engagement with the community.

Community engagement process closes 3pm Monday 5 February 2024.

REMINDER community consultation for AFL NT's proposal to construct changerooms at Nightcliff oval closes 3:00 pm Monday 5 February 2024.

The proposed facility aims to:

- create gender neutral facilities that support the demand of user groups
- create opportunity to develop partnerships with other community groups to use the space
- increase sporting activities participation
- create a safe and enjoyable space for participants, promoting inclusivity and equity
- provide a welcoming environment for spectators and volunteers.

AFL NT is proposing the construction of a new fit-for-purpose, four-room change room complex at Nightcliff Oval to better support users of the oval.

Concept design for the proposed facility includes:

- Four changerooms
- Two accessible toilets
- Two trainers' rooms
- Medical room
- Office
- Canteen and storeroom

Engagement

Snapshot

The following is a snapshot of the way in which people engaged and provided feedback:

Social media engagement

Social media activity on the Nightcliff Oval Changeroom Proposal engagement included four posts shared to Facebook and Instagram stories.

Additional accounts also took to Facebook to share the engagement process, including Councillor Ed Smelt, Lord Mayor Kon Vatskalis, Natasha Fyles MLA: Member for Nightcliff.

A review of the Facebook comments across all pages showed that majority of comments were in support of upgraded facilities for non-male players. Additionally, there were several comments requesting facilities for umpires.

Engagement feedback

The data below sets out the feedback on the Nightcliff Oval Changeroom proposal by stakeholders and the community during the engagement period 22 January to 5 February 2024. Refer to Appendix 1 for detailed Engage Darwin survey results.

Feedback analysis

The sentiment from survey responses was supportive of the Nightcliff Oval Changeroom Proposal with 90.4 per cent of respondents in support of AFL NT's proposal to construct new changeroom facilities, 4.1 per cent opposed and 5.5 per cent "other" providing a detailed response.

Key feedback in support centred around:

- Inclusivity. Safe, appropriate facilities contribute to a more inclusive environment notably for women and gender diverse players.
- Social/community cohesion. New, larger facilities would support the local sporting community and in turn strengthen the Nightcliff community.
- Industry development. New facilities would support the advancement of two important community clubs (cricket and AFL), increase women's participation and attract interstate players.
- More space. Bigger, multi-room facilities would adequately accommodate the large number of players, officials and volunteers who use the oval.

Opposers raised concerns about:

- Financial impact of building the changerooms. Respondents believed the amount of money proposed for the works was too high and that the existing changeroom block is still serviceable.
- Funds being used on other facilities including a grandstand, lights, pavilion, shade to provide shelter for players.

There were conflicting views about the following topics:

- Gender neutral bathrooms. There seemed to be misunderstanding about the purpose of the gender-neutral facilities, which referred to any of the change rooms being suitable to be used for either a women's or men's team. Many respondents acknowledged the current issues of lack of privacy in the current facilities, however there were mixed responses about whether the bathrooms should be gender neutral or gender specific bathrooms. Some believed gender neutral facilities were essential for Nightcliff's queer community, to respond to the needs of all and to increase female participation. Others felt separate bathrooms should be required for women, girls and baby changing facilities to keep women safe.

Recommendations

Based on the feedback received during the engagement process, it is recommended that:

This can be achieved through:

- Updating relevant City of Darwin landing pages.
- Notifying key stakeholders when changes come into effect.

- Announcing changes to community via organic social media post.
- Where possible and relevant Lord Mayor to mention changes during media engagements.

Based on the feedback received during the engagement process, it is recommended that:

1. The feedback outlined in this engagement report informs the decision to upgrade the Nightcliff Oval Changerooms.

This can be achieved through:

- Reviewing all feedback.
2. If endorsed, City of Darwin should undertake a communication program to inform all stakeholder groups and the broader Darwin community as to how feedback has been incorporated into the proposal.

This can be achieved through:

- Updating relevant City of Darwin landing pages.
 - Notifying key stakeholders when changes come into effect.
 - Announcing changes to community via social media content.
 - Where possible and relevant Lord Mayor to mention changes during media engagements.
3. City of Darwin make the engagement report available to the community and stakeholders on the Engage Darwin website.

- Q1. Do you support AFL NT’S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes
- Q2. If yes, why?

The current changerooms are not big enough to accommodate what is required to adequately provide amenities for up to four teams at once (two playing and two about to play).
- Q3. If no, why?

not answered
- Q4. Which of the following best describes your connection with this project?

Resident living in close proximity to venue
- Q5. How often do you use the Nightcliff Oval?

More than once a week
- Q6. Please provide any additional comments or feedback.

The Nightcliff Oval facilities in general are substandard compared to other council facilities such as Gardens Oval & Bagot Park. I am mainly talking about car parking and entry facilities which at Nightcliff Oval are mostly dirt and there are often large pools of water in the wet that pedestrians & vehicles must navigate with caution to avoid becoming covered in mud. In comparison, Gardens oval & Bagot Park have excellent car parking and entry facilities that make Nightcliff oval feel quite second rate. Spectator facilities at Nightcliff Oval are also way below those at Gardens Oval with little protected seating. I fully support the construction of a grandstand facility to keep spectators protected from the sun & rain.

- Q6. Please provide any additional comments or feedback.

Please go ahead with these plans, they are needed due to the decline of the current facilities. often had to clean these so they are fit for teams to use. We have to do the sports trainging and medical outside as its too hot to treat the players in these room which gives the players no privacy during treatment. We need more seating as well please.

Q1. Do you support AFL NT'S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes

Q2. If yes, why?

It will make a significant contribution to the advancement of two important growing community sporting clubs (cricket and AFL) in an area of Darwin that desperately needs investment.

Q3. If no, why?

not answered

Q4. Which of the following best describes your connection with this project?

- Q1. Do you support AFL NT’S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes
- Q2. If yes, why?

It will support organisations like AFLNT to utilise the facilities for other clubs, that way the oval is being used on weekends when Nightcliff don't have a home game.

- Q1. Do you support AFL NT’S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes
- Q2. If yes, why?

Nightcliff currently have one change room and one set of toilets for their home teams. The women’s teams are regularly disadvantaged when it comes to using these change rooms as men, coaches, officials are regularly walking in and out. This does make some of the women uncomfortable and not wanting to use the change rooms for their purpose, instead going home to get changed or shower after the games. Having more change rooms would help to make the club a more inclusive environment for all to feel comfortable.

Q1. Do you support AFL NT'S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes

Q2. If yes, why?

The NFC has many teams across all ages and genders and does not have current appropriate change rooms or support staff facilities. Many players are not even comfortable to shower after games given the poor facilities and lack of privacy the current facilities afford. Accessibility is also a current issue for those living with disability and gender diverse players.

Q1. Do you support AFL NT'S proposal to construct new changeroom facilities at Nightcliff Oval?

Yes

Q2. If yes, why?

All sporting fields should have change rooms no questions asked. Since being here from the NSW a few years ago, I find that too many clubs have no change rooms and no change rooms for girls. It has to become standard practice. Nakara oval needs one as well, not just Nightcliff. I also find that AFL has more sway.

Sporting Clubs in NSW can apply for grants through the government for these types of projects, not funded through local councils. This would be a good idea for inclusive sport between boys and girls.

Q1. Do you support AFL NT'S proposal to construct new changeroom facilities at Nightcliff Oval?

Other (please specify)

Are u kidding me.! What happened to the proposed grandstand that was promised pre-Pandemic. This is a very poor substitute. This ground has potential for community engagement far beyond its current use. Night games in "all sports" associated with Nightcliff sports club could be welcomed with proper facilities for families and community members to watch from a grandstand which could encompass the changerooms etc. example is Hunter harrison / Tiger Brennan grandstands at gardens oval. Changerooms, storage, shop , toilet and shower all within the one structure. *And build 2. 1 for us and 1 yucky one for them that has the sun in their eyes ☺ & save costs by not giving them toilet facilities. But seriously night competitions for all but especially involving our kids will keep some of them off the streets. They will enjoy themselves and be too tired to get up to mischief later. #####And most important of all put a "Tiger on the tank" get the street artists to paint a Tiger walking out of Bamboo forest on the disused PAWA water tank which is an eyesore but a perfect canvas to let opponents know they are in "Tigerland". Include a survey for #Tigeronhetank

AFL in Darwin is growing at a rapid rate. With the increase in players, team numbers, and competition levels we are currently not equipped to meet the demands for space for teams prior to, during, and after matches. Building new change rooms would provide space for the growing AFL community, encouraging more engagement and creating a better environment for players, officials, and volunteers.

Q3. If no, why?

As a large user of this oval for the past 26 years, I can say with confidence that \$2 million change rooms are not required. There are already 2 lots of change rooms and a canteen. This will only take up space that is used for spectators and parking. Please focus on using this space for shaded seating. For the amount of people that populate the oval during these boarding seasons, there is nowhere near enough shade. It needs a pavilion, at least.

I utilise the facilities at nightcliff oval regularly throughout both the cricket and footy season . This ground is an amazing ground that can and should be utilised better for everyone . I'd also like to to see the cricket nets under cover like marrara and Tracey Village. These facilities are utilised by 100s of darwin residents right through the year and they need to be upgraded to be able to be better for future generations. Facilities like these only help the community move forward which helps darwin move forward

I query why trainers need separate rooms. Given the over representation of trainers in child sexual abuse, having a separate space gives space and the opportunity for private and therefore potentially dangerous liaisons between trainers and children.

Q1. Do you support AFL NT’S proposal to construct new changeroom facilities at Nightcliff Oval? Yes

Q2. If yes, why?

Gender neutral bathrooms are important for the whole community, especially in Nightcliff which is a suburb where a large number of the Top End's queer community live. Having non-gendered bathrooms will help trans people feel safe to change and use whatever bathroom rather than having to try to use one kind of bathroom and possibly be harrassed. As a nonbinary female bodied person who dresses masculine and who has done some testosterone giving me some masculine features such as a lower voice, I feel unsafe walking into a male bathroom because I have obvious breasts and I am afraid of sexual harassment, but I get questioned when I walk into the female bathroom until they notice my breasts. Gender neutral bathrooms would help me feel a lot safer as it wouldn't matter which bathroom I am using, it would be the right one. Gender neutral bathrooms also assist parents of children, as I am a parent who often has to take my son into the bathroom with me. As he is getting older, I am afraid of letting him go into the "men's bathroom" alone without supervision, for his own safety but also to ensure he behaves appropriately, yet as he ages he is less welcome in the women's bathroom and would be expected to use the men's bathroom independently. I can imagine it's even harder for dads caring for young girls, feeling like taking their daughter into the men's bathroom is unsafe if there are other men there, but feeling that walking into the women's bathroom with their daughter is invading women's spaces. If there are sufficient private stalls in a gender neutral bathroom, this eliminates the feelings of unsafety particularly for parents of young children, it makes supervision of children using the bathroom a lot easier.

the design looks ok but it would be a great improvement to have some spectator seating on top. There is currently very little spectator seating at the oval. With a concrete lid on top for spectator seating the building would make a great cyclone shelter, it has ample toilets, small windows that could be debris protected, rooms that could be used for first aid and an office for management. this would come at lttle additional cost and gives the facility additional functionality

This would really improve how game days at Nightcliff Oval run for both Tigers and the opposition teams, providing more than one home change room, allowing better access to facilities for both mens and womens teams when there is an overlap in arrival for game, and games being played.

Q1. Do you support AFL NT’S proposal to construct new changeroom facilities at Nightcliff Oval? Yes

Q2. If yes, why?

The idea is great in principle as the current change rooms are undersized brick hot boxes. The execution of this design however in its current design is not supported. Fails on many accounts.

Q3. If no, why?

not answered

Q4. Which of the following best describes your connection with this project?	Other (please specify) Past sportsperson who played at Nightcliff Oval
--	---

Q5. How often do you use the Nightcliff Oval? Never

Q6. Please provide any additional comments or feedback.

The current plan fails to meet minimum NCC compliance standards for access at doorways and providing any accessibility requirements internally for pathways and use, particularly in the "accessible" toilets, office and canteen areas. It also fails to meet the AFL Minimum Facility Guidelines for size of change rooms, toilet numbers and ability to have separate and equal changerooms for men and women. The shared facilities between the two change rooms does not allow for all the change rooms to be used separately and therefore does not meet what the project sets out to achieve by providing 4 changerooms. The number of toilets currently barely allows enough for a single team to utilise them (one of the rooms has a single AMB WC to share for the whole team!?). This looks like it was designed in the 90s before any standards were put in place and will not provide improvement on the current brick changerooms already there. The proposed design also does not replace the seats that will be removed, even though there is a planned stage 2 there will be an immediate impact to reduce visibility of the ground and not provide any additional seating.

Original planning for facilities development at the ground included an integrated change room/grandstand facility. Has consideration been given to grandstand seating above the new structure, or design which would accomodate this in a second stage of development?

The design hasn’t been thought through rationally and does not comply to AS1428.1 and AFL venue guidelines. Please engage and consult with a registered architect and sport planning body. Drawings should be produced in CAD at a very minimum.

19 DATE, TIME AND PLACE OF NEXT ORDINARY COUNCIL MEETING

THAT the next Ordinary Meeting of Council be held on Tuesday, 16 April 2024, at 5:30pm (Open Section followed by the Confidential Section), Council Chambers Darrandirra, Level 1, Civic Centre, Harry Chan Avenue, Darwin.

20 CLOSURE OF MEETING TO THE PUBLIC

THAT pursuant to Section 99 (2) of the Local Government Act and Regulation 51 of the Local Government (General) Regulations the meeting be closed to the public to consider the Confidential Items of the Agenda.

RECOMMENDATIONS

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 99(2) of the Local Government Act:

26.1 Disbursements - Persons Authorised

This matter is considered to be confidential under Section 99(2) - 51(c)(iii) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to prejudice the security of the council, its members or staff.

26.2 Provision of Auditing Services Contract

This matter is considered to be confidential under Section 99(2) - 51(c)(i) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

26.3 Parking Tender

This matter is considered to be confidential under Section 99(2) - 51(c)(i) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

26.4 Oval Sponsorship Proposal

This matter is considered to be confidential under Section 99(2) - 51(c)(i) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

26.5 Cyclone Tracy 50th Anniversary Commemoration Grant Applications

This matter is considered to be confidential under Section 99(2) - 51(c)(iv) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to subregulation 51(3) – prejudice the interests of the council or some other person.

26.6 Cyclone Tracy Update and Monument

This matter is considered to be confidential under Section 99(2) - 51(c)(iv) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to subregulation 51(3) – prejudice the interests of the council or some other person.

26.7 2024/25 Sponsorship Application - Darwin Festival 2024

This matter is considered to be confidential under Section 99(2) - 51(c)(iv) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to subregulation 51(3) – prejudice the interests of the council or some other person.

26.8 Access and Inclusion Advisory Committee - Appointment of Community Members

This matter is considered to be confidential under Section 99(2) - 51(c)(iv) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to subregulation 51(3) – prejudice the interests of the council or some other person.

27.1 Outcomes of Budget Workshops

This matter is considered to be confidential under Section 99(2) - 51(c)(iv) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to subregulation 51(3) – prejudice the interests of the council or some other person.

27.2 Committee Meeting Confidential Minutes

This matter is considered to be confidential under Section 99(2) - 51(c)(i) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

1 Acknowledgement of Country

We the members of City of Darwin acknowledge that we are meeting on Larrakia Country.

We recognise and pay our respects to all Larrakia people, Traditional Owners and Custodian Elders of the past and present.

We support emerging Larrakia leaders now and into the future.

We are committed to working together with all Larrakia to care for this land and sea for our shared future.

2 THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done; on earth as it is in heaven.

Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil.

For thine is the kingdom, the power, and the glory for ever and ever.

Amen.

10 PUBLIC QUESTION TIME**10.1 QUESTION TO COUNCIL - HERITAGE LISTING OF THE ESPLANADE****RESOLUTION ORD066/24**

Moved: Councillor Mick Palmer

Seconded: Councillor Kim Farrar

THAT the following Public Question and response as tabled from Mr Graham Kirby regarding the heritage listing of the Esplanade be received and noted.

Question

When is the City of Darwin going to debate the merits of the Declaration of the Heritage Listing of the Darwin Esplanade? The Minister, Chanston James Paech, Minister for Heritage made a provisional declaration of Heritage Place, The Esplanade on 24 April 2023.

Response

City of Darwin is aware of the provisional heritage listing of The Esplanade in 2023. City of Darwin is of the view that this listing was not in accordance with the requirements of the Heritage Act 2011 (NT).

Therefore, Council approved City of Darwin taking legal action against this heritage listing to ensure an appropriate outcome is achieved. This matter was heard in the Supreme Court in November 2023.

It is not appropriate for City of Darwin to comment further while this matter is being considered and awaiting judgement.

10.2 QUESTION TO COUNCIL - BOMBING OF DARWIN COMMEMORATIVE EVENT**RESOLUTION ORD067/24**

Moved: Councillor Mick Palmer

Seconded: Councillor Kim Farrar

THAT the following Public Question and response as tabled from Mr Stephen Dunham regarding the Bombing of Darwin Commemorative Event be received and noted.

Question 1

Who authorised the change of the Commemorative event for the bombing of Darwin from the dedicated site at the Esplanade to the Convention Centre?

Response

The change of venue was authorised and endorsed by City of Darwin's Chief Executive Officer, and City of Darwin's Lord Mayor.

It is never easy to change the location of an event, however our main priority was and will always be the safety of our community.

The ground at the Cenotaph was extremely waterlogged in the lead up to the event, meaning it was unsafe for our suppliers to access the site to set up and bump into the event. Coupled with predicted forecast rain, as well as the possibility of Cyclone Lincoln, which was upgraded from a 'watch' to a 'warning', meant that the ground would have become even wetter and muddier, causing further community safety concerns as well the potential for extensive damage to the cenotaph area and surrounds.

This would have also affected attendees on the day, as the surface would have been very unsafe and with limited access for all members of the community.

We decided as early as possible to ensure the public were notified well in advance of the event, and could change their event plans accordingly, as well as ensuing partners and suppliers had enough time to prepare.

Question 2

Who advised that the weather would be unsuitable to hold the event at the Esplanade?

Response

City of Darwin was provided advice from the Bureau of Meteorology that there was more rain forecast, in addition to the flooding that had already taken place earlier in the week.

Question 3

What were the costs of erecting and dismantling the shade structures which have previously proved effective protection against rain for the event?

Response

There were no additional costs associated with this, as the relevant costs were already factored into the event budget.

Question 4

Why was the extensive area adjacent to the Cenotaph fenced off on the 19 February this year?

Response

Fencing is installed each year as this section of Bicentennial Park is considered a worksite, therefore appropriate WHS measures are required to successfully obtain an event permit to host the event.

Had we have not changed the venue, the fencing would have been removed on Saturday 18 February and re-installed post event once the event had concluded and bump out began.

Question 5

This year it was moved at short notice notwithstanding a lack of supporting advice from the Bureau of Meteorology, which merely noted a chance of rain.

Response

The event was moved five days out from the event, which we are confident is enough time to accurately notify people who were intending on attending the event.

The City of Darwin staff also communicated with a BOM representative around forecasts.

The Bureau of Meteorology was consistently predicting rain, which would have made the ground wetter and muddier, affecting suppliers in the lead up to the event as well as attendees on the day.

We were just as disappointed as you to see that no rain eventuated, however given the facts at the time of making the decision, the right decision was made. The timing was necessary to be able to secure an alternative venue and ensure appropriate setup.

Question 6

The diminishing of this important event, replacing the Cenotaph with a pile of sandbags with a rifle sticking out of it is offensive to me and I suspect others. I am not sure about the protocol of saluting the pile of sandbags, or perhaps the homage was intended for the flowers adorning it.

Response

The idea of the makeshift Cenotaph was from the Australian Defence Force (ADF), and they facilitated its construction.

THAT the following Reports of Representatives be received and noted.

16.1

Councillor Morgan Rickard reported on attending the opening of the Exit Art Exhibition at the Museum and Art Gallery, celebrating the talents and creativity of contemporary art from Northern Territory Year 12 students. Advised everyone to make the time to have a look at the amazing artwork being presented.

16.2

Councillor Brian O'Gallagher reported on attending the Karama Shopping Centre this morning where Councillor Kim Farrar and the team from COTA had a stall, offering advice to residents on programs available to help our senior citizens. Was also a good opportunity to speak with the community members on any issues that they were experiencing. Congratulations to COTA for such a valuable community service.

16.3

Councillor Ed Smelt reported on attending the Bombing of Darwin Commemoration Event last Monday, a number of staff and Elected Members in attendance. It was an extremely well organised and executed event and I congratulate the CEO and team for all their efforts. It's truly a national event broadcasted on the ABC around the country, which reflects strongly on the organisation from the staff involved. Taking on the late change of venue to the indoor venue, it was excellent to accommodate that late change. It was great to bring the community together and reflect on the events of 1942.

16.4

Councillor Amye Un reported on attending the Bombing of Darwin Commemoration Event, thanks to the Lord Mayor for the invitation, it was a great day and that she enjoyed celebrating.

Councillor Amye Un also met with residents while in The Mall, with concerns raised regarding the cost of parking in the city on a Saturday. They would like to see free parking over the weekends to attract more people into the city.
