Visit the website to find out:

- what items can be collected
- how to separate items
- how you can help us recycle

darwin.nt.gov.au/pccu

ZONE 1
Sunday 30 August

ZONE 2
Sunday 20 September

WHAT WILL BE COLLECTED?

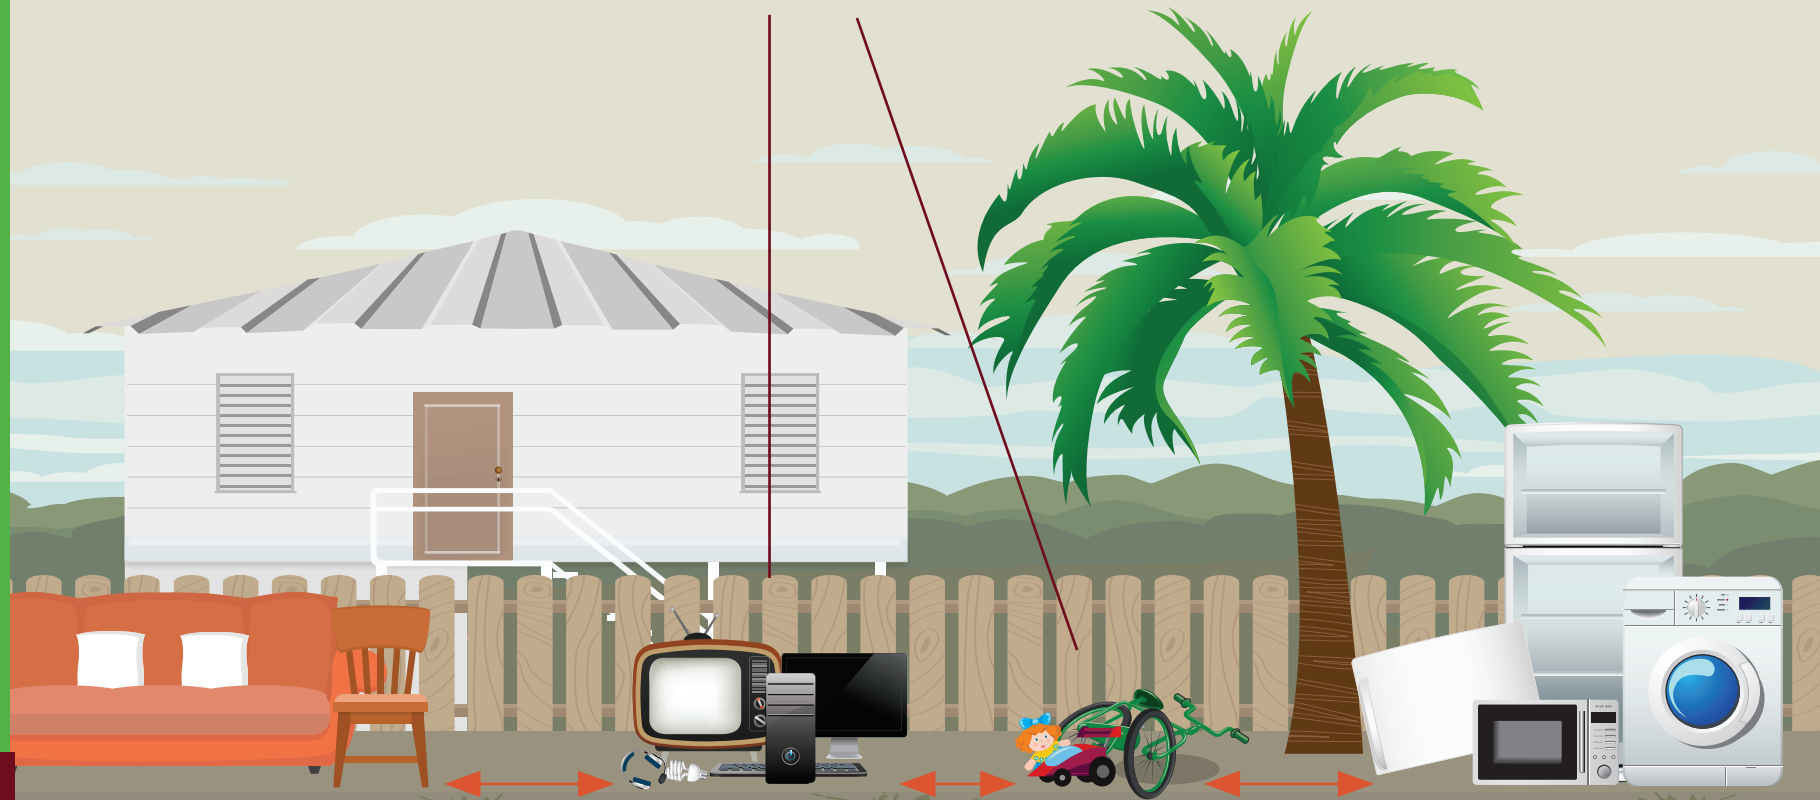

Yes

- ✓ whitegoods
- ✓ air conditioners
- ✓ furniture / flooring
- ✓ bicycles
- ✓ toys
- ✓ e-waste (computers and TV's)
- ✓ scrap metal
- ✓ roofing materials

No

- ✗ asbestos
- ✗ gas bottles
- ✗ paint / oil / chemicals
- ✗ batteries
- ✗ car parts / bodies / tyres / engines
- ✗ commercial waste
- ✗ concrete
- ✗ garden refuse
- ✗ glass or mirrors
- ✗ food waste

Group similar items together

Leave a defined space between groups of items

Separate teams will collect specific materials throughout the clean up.
(e.g. whitegoods, scrap metal, e-waste etc.)

- By correctly separating your items, you will ensure that as many items as possible are collected for recycling
- Items up to 1.5 metres long will be collected
- Up to two cubic metres will be collected
- For safety reasons please remove doors from fridges

Keep footpaths clear and be mindful of the safety of Council workers on the road.
