

Update 4

2324-028B Smith Street Streetscape Improvements

Project Overview

The Smith Street Streetscape Improvements delivered in partnership with the Northern Territory Government will see greening and cooling elements added to the stretch between Knuckey St and Whitfield St. Deliverables include additional trees and landscaping, improved pedestrian and active transport access, improved pedestrian lighting and seating, and public artwork.

Project Priorities

- Project timeline – all high impact works completed before peak season (July / August)
- Access – pedestrian access to all properties maintained during delivery.
- Safety – no lost time injuries or reportable incidents
- Quality – no reconstruction of elements required.
- Budget – all works completed within overall budget allocation.

Current Status

Progress Summary: Stage 1 Concrete and asphalt demolition works completed in fenced sections.

Estimated Progress: 11%

Estimated project end date: August 2025

Works Impact

Changes in access

- NIL

Noise, dust, or service interruptions

- Noise may be generated from site activities. Noise generating works will be undertaken during normal working hours unless otherwise communicated.
- Controls are in place to manage dust.
- There are no planned service interruptions.

Week Ahead

- Stage 1:
 - Continue demolition work.
 - Commence excavation of tree pits.
 - Commence set-out of new underground services.

Forward Planning

- No updates due to shortened week and limited contractor availability.
- Initial staging plan to be reviewed and updated. Any updates will be communicated with traders.

Issue Reporting

- Designated accessible parking for AEC polling place was not in place on Tuesday 22/4. This was rectified the same day.
- Wet weather is forecasted for Monday and Tuesday next week.
- There was limited availability this week due to staff leave over the three-day period.
