

FERALSCAN APP USER GUIDE

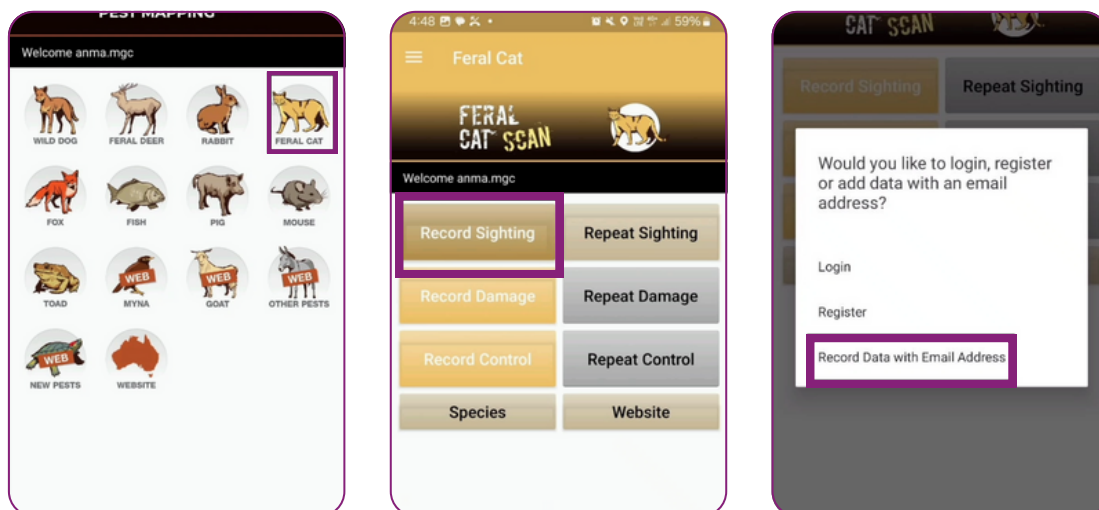

STEP 1

- Download the **FeralScan** app.
- Allow **FeralScan** to view your location while using the app when prompted.

STEP 2

- From the home page choose **FERAL CAT**, then click **Record Sighting**.
- If this is your first time, click **Register** to create an account or record the sighting by entering your email address.

STEP 3

Complete the form within the app:

- 🐾 Enter the date observed.
- 🐾 Location: (auto-detected or click the globe to place a marker on the map).
- 🐾 Select the number of cats seen.
- 🐾 Select the status: **Live** or **Dead**. If live, you will see questions 5-7.
