City of Darwin parklet

Darebin encourages local businesses to help activate our city with outdoor dining and trading on footpaths, nature-strips and road-spaces, ensuring that it's done in a balanced way, with safety and accessibility at the forefront.

If your business is interested in having an outdoor dining parklet, please complete the below form.

Please note: this is not an application form. Once you complete this EOI form, a City of Darwin officer will contact you to discuss the next steps.
