General Conditions

The following General Conditions apply to all Council Fees & Charges.

FACILITY HIRE FEES

Facility hire, within this document, states three levels of fees.

These are:-

- the full fee payable,
- the concessional fee for regular weekday use by not-for-profit community organisations, and
- a concessional fee for either one-off events on Friday evenings or weekends, or events which span more than the sessional use specified.

Not-for-profit organisations requesting concession fees to be negotiated will need to put their request in writing.

NOT-FOR-PROFIT ORGANISATIONS

The definition for eligibility for concession fees is:-

A self-help group (not operated by commercial interests and stated as not-for-profit by statutory declaration), or a not-for-profit community organisation (incorporated under the Associations Incorporations Act).

PENSION CONCESSIONS

Some fees and charges within this document allow a concession for pensioners. All people seeking such concession must provide appropriate proof of eligibility, i.e. –A Commonwealth Health Care Card or a Northern Territory Pensioner Concession Card.

INDEMNITY

Organisations hiring Council facilities are required to have public liability insurance cover.

Groups and individuals without their own public liability insurance must be aware that City of Darwin will not be held liable for any accident occurring through the actions or negligence of group members or guests.

CREDIT CARD SURCHARGE

City of Darwin may impose a surcharge of 0.4% on payments made using a credit card.

General Conditions (cont'd...)

RESPONSIBILITY FOR DAMAGE TO COUNCIL PROPERTY

The cost of damage to Council property will be recovered from the party responsible. In the case of hire of Council property the hirer will be held responsible and in the case of a permit/licence holder the holder will be held responsible.

The cost of repairs will be calculated as the:

Actual invoiced cost to Council of materials and services used; **plus**

Cost of Council labour, plant and stores used including overheads

= Sub Total

Add 15% to Sub-Total

= Total Cost that will be recovered.

SEASONAL OVAL ALLOCATIONS

Council ovals are made available for sporting organisations to use for Wet and Dry seasons competition, training and pre-season use.

Seasons: Wet Season 1 October to 31 March

Dry Season 1 April to 30 September

In the first instance Council allocates ovals through peak sporting bodies so that they may then arrange club fixtures.

The definition of a peak sporting body is –

“An organisation representing the interests of those involved in the nominated sport and one affiliated with a national body that recognises the peak body for the sport in the NT.

A peak body will also be registered as an incorporated body with Department of Trade, Innovation and Business and Department of the Attorney-General and Justice and hold a current public liability insurance policy.”

SINGLE USE PLASTICS

In January 2019, City of Darwin implemented a ban on all single use plastics at Council events and events held on Council land including markets. These changes have been implemented to reduce the amount of single use plastic used and protect Darwin's unique environment.

The ban in single use plastics will relate to all Council permits and leases and these were updated from 1 January 2019 to reflect this change. Further information on how conduct an event without single use plastics is available at www.darwin.nt.gov.au

Community Centres

City of Darwin has community centres at Lyons, Nightcliff and Malak available for hire from 6am to midnight daily. Council aims to ensure that a range of user groups and/or individuals have fair and equitable access to Council's services and facilities. These facilities provide spaces for a diverse mix of activities and encourage community connectedness, participation in community life and enhance individual and community wellbeing.

There are two levels of charges:

- Not-for-profit/Community Benefit: Community organisations/groups or individual that is intending to not charge or charge a low cost for an activity where there is a community benefit, such as health and wellbeing.
- Commercial/Private: Business or individual who provide a service or sell products with the intention of making a profit. Private also includes, use for private functions or events, not open to the community, such as Birthday parties.

Council requires any community group, organisations or individual entering into an agreement for the use of a community centre ("Hirer") to comply with the conditions of use.

Cancellation of bookings must be provided in writing 5 working days prior to the date of hire, otherwise the full hire charge will be forfeited.

Where Council's contracted security firm is called out after hours, or additional cleaning or replacement of keys is required, the hirer will be required to meet these expenses.
