For Information – What is a Standard Kerbside Waste Collection Service
<i>Houses & Multiple Dwellings with 3 or less units receive a kerbside waste collection service. One set of 240ltr bins (1 x general waste and 1 x recycling) is delivered per dwelling. The bins need to be placed kerbside prior to 7am for emptying by Council's contractor. The general waste (red lid) bin is emptied once per week and the recycling (yellow lid) bin is emptied once per fortnight. The additional bins applied for above will be collected alongside your standard allocation of bins, with the same frequency.</i>
