Following requests from local residents for walkway closures due to anti social behaviour, Darwin City Council recently conducted a detailed review of walkways in Karama, Malak, Wulagi, Wagaman, Anula and Moil. A full copy of the "Darwin Walkway Assessment" report can be obtained from Darwin City Council's website www.darwin.nt.gov.au

At its meeting on the 25th August 2009, Council resolved to consult with the community in relation to the potential closure of some of these walkways. Prior to Council making a final decision on these matters, local residents are invited to comment on the proposed closures by the **13th October 2009**.
