15<sup>th</sup> May 2009

Mr B. Dowd  
CEO  
Darwin City Council  
GPO Box 84  
Darwin NT 0801

Dear Brendan,

### **TCA Excellence in Building & Construction Awards 2009**

The TCA Excellence in Building and Construction Awards is now approaching its 13<sup>th</sup> year and as you know are designed to recognise the very best practice in our industry during the 2008/09 financial year. Awards presented range from member choice awards for Supplier and Subcontractor of the year, to the major housing and commercial sector awards. We also take the opportunity to recognise and reward the efforts of NT apprentices within the industry. Last year there were some 43 Awards presented on the night in Darwin. Subsequently two Northern Territory members won Master Builders Australia National Awards as well as an NT Apprentice winning the NECA National Apprentice of the Year Award.

To win an Excellence in Building and Construction Award is an achievement not only recognising the high standards of workmanship within the building and construction industry, but provides an endorsement which is already widely recognised and respected by the industry and the public. The Awards this year will be presented at a gala presentation dinner on Friday 21st August, 2009 at the Darwin Convention Centre. Last year's Awards saw an attendance of 670 people including representatives from all facets of industry, government officials, major industry representatives, contractors, architects, engineers and other industry professionals.

I would like to invite you again to be a part of this major Territory event through sponsorship. I have attached a proposal as per last years sponsorship and also a list of this year's sponsorship packages for your information and the benefits available to you as a Sponsor. Please note that we can provide you with an Invoice dated next financial year ie after 1 July 2009, if this assists with your budgetary planning. If you wish, I would be happy to discuss sponsorship options personally with you and shall follow up with a courtesy phone call in a week if I have not heard from you.

I thank you for your continued support of our event last year and hope you will support us this year and become one of our regular Sponsors. If you have any further queries, please do not hesitate to contact me.

Yours faithfully,

**Krystal Tiley**  
Business Development Manager

## 2009

## Excellence in Building & Construction Awards

### SPONSORSHIP PROGRAM

The Territory Construction Association is pleased to announce the 2009 Excellence in Building and Construction Awards. These awards recognise the excellence of TCA members over the last financial year and aim to encourage, recognise and promote best practice in the Construction Industry. The awards will be presented at a gala event at the Darwin Convention Centre on Friday, 21st August 2009.

The Awards Presentation Night has become a well-known calendar event with 670 people attending this year's event, including NT Government Ministers and top industry dignitaries from interstate.

This event would not be possible without the support of sponsors, and TCA aims to continue to form mutually beneficial partnerships with companies associated with the Awards. With over two hundred businesses as members, sponsors have the ideal opportunity to promote their business to a sizeable section of the community. Sponsorship for the Excellence Awards is limited and available in the following levels, each with various benefits. As an official sponsor of the Awards, TCA looks forward to building a strong business relationship with your company long past the awards presentation night, into the future.

### PLATINUM SPONSOR

LIMITED TO 1 PLATINUM SPONSOR ONLY. The Platinum Sponsor is the major sponsor of the event.
