Dear Mr Dowd

I was delighted to read the "Draft 2014/15 City of Darwin Municipal Plan" currently on the City of Darwin website and would like to provide some positive feedback on the commitment to improve the Casuarina Swimming Pool.

I noted on Page 30 of the extensive 107 page plan that capital investment in the facility of \$40,000 has been allocated for "Casuarina Pool Starter Block Replacement. This investment is most welcome by the competitive swimming community as it will make a tangible difference for those who actively compete and represent the Northern Territory in the sport of swimming, along with the wider community. In addition to being of great benefit to our increasing membership we also hope it will assist Council in achieving goals within the Strategic Plan, specifically in areas such as community and lifestyle.

I am sure this will lead to increased community satisfaction with swimming pools as identified in Community & Cultural services KPIs.

On behalf of the affiliate and individual members of Swimming Northern Territory, I commend Council on this decision and look forward to the works commencing as soon as practicable with our new season fast approaching.

I wish to extend my personal thanks to Council staff, Aldermen and the Lord Mayor for their ongoing support of swimming in Darwin.

Kind Regards

Joel Wecker  
President Swimming Northern Territory
