

Dr Susan Rennie
MAYOR OF DAREBIN

Susan is the Mayor of Darebin and is enormously enthusiastic about the many ways in which local governments can shape and improve the lives of communities.

Sally Moxham
MANAGER CLIMATE
EMERGENCY AND
SUSTAINABLE TRANSPORT,
CITY OF DAREBIN

Sally manages over 30 staff in the Transport Engineering, Climate Emergency and Environment teams for City of Darebin, and has successfully implemented a Solar Saver Program, which is the largest residential solar installation program run in Australia.

Chris Chilcott
RESEARCH LEADER
NORTHERN AUSTRALIAN
DEVELOPMENT, CSIRO

Chris leads CSIRO's work on developing Northern Australia based at the Darwin laboratory. He has impressive depth of knowledge and a strong commitment to the sustainable development of the north.

Lachlan Rule
PROJECT LEAD,
BEYOND ZERO
EMISSIONS.

Lachlan is the Project Lead for Beyond Zero Emission's Repowering our Regions work. His work takes research and applies it to fossil fuel dependent communities around Australia, showing a low-carbon, future is possible now, and was a researcher of the 10 Gigawatt Vision.

Sarah Barker
HEAD OF CLIMATE RISK
GOVERNANCE,
MINTER ELLISON

B.COM (ACC & FIN), LLB (HONS), M.ENV (HONS)

Sarah has two decades' experience as a corporate lawyer, and is regarded as one of the world's foremost experts on investment governance and corporate disclosure issues relating to climate change. Her expertise is sought by public and private sector clients globally.

**Assoc. Prof.
Suzanne Belton**
CONSULTANT RESEARCHER,
RETURN TO COUNTRY,
WELLBEING & PREVENTABLE CHRONIC DISEASES.

Suzanne is the NT Branch President of the Public Health Association of Australia. She has taught at Menzies School of Health Research and conducted research across SE Asia and the NT in human health and wellbeing. Prevention and human rights are principles that guide her work.

Arne Orstavik
AUSTRALIAN YOUTH
CLIMATE COALITION

Arne is a passionate person who is active in the Darwin community. He is an AYCC member, Youth Programs Trainee and completing a Diploma of Event Management. Arne believes his generation will be most impacted by climate issues and committed to personally making changes and inspiring others to do the same.

Lord Mayor's Climate Emergency Roundtable

4 December 2019

The City of Darwin has declared a Climate Emergency. Climate Change is an issue we need to face and respond to immediately. The impacts are far reaching and are already being felt by our community. What can be done to ensure Darwin survives and flourishes into the future.
