# **City of Darwin**

Pursuant to Section 156 of the Act, Council declared the following special rate ("the Parking Local Rate") a. The purpose for which the Parking Local Rate is to be imposed is to defray the expense of and in relation to on-street and off-street parking within the Central Business District ("the Central Business District") as defined in Schedule 1 of the Local Government (Darwin Parking Local Rates), Regulations, "the Regulations" it being the opinion of the Council that such on-street and off-street parking is and will be of special benefit to the ratepayers of the Central Business District. The onewate the particular busine parking Local area is a first of the Council that such on-street and off-street parking is and will be to special benefit to the ratepayers of the Central Business District.

c. The Parking Local Rate will be an amount of \$241.48 per car parking space which will be assessed and levied in accordance with the Regulations. Notification of the parking usage schedule 2016/17 has been duly prepared in accordance with Regulation 4 of the Regulations and notified in the Northern Territory News and in the Northern Territory Government Gazette on 8 June 2016.

Appeals against the assessment of the Parking Local Rate will be applied by the Council for the Provision, operation and maintenance of land, facilities, services and improvements for and in connection with the parking of vehicles in the Central Business District, including both on-street and off-street
 Appeals against the assessment of the Parking Local Rate may be made in accordance with regulation 7 of the Regulations. The period for appeals under regulation 7 of the Regulations expires on Thursday, 7July 2016.
 f. Proceeds of the Parking Local Rate will be applied by the Council for the provision, operation and maintenance of land, facilities, services and improvements for and in connection with the parking of vehicles in the Central Business District, including both on-street and off-street
 **Charge C** 

College 2000 Pursuant to Section 157 of the Act, Council declared the following charges for the purpose of enabling or assisting Council to meet the cost of garbage collection and recycling collection services and the waste disposal services it provides for the benefit of residential land within the municipality and the

a. The following charges were declared: A charge of \$246.00 per annum per residential dwelling in respect of kerbside garbage and recycling collection services and a waste disposal service provided for the benefit of, or which Council is willing and able to provide for the benefit of, each residential dwelling within the municipality other than a residential dwelling as described in Parts 1, 2 and 3 of the Schedule below and the occupiers of such land.

time to time. b. A charge of \$225.00 per annum per residential dwelling in respect of non-kerbside (communal) garbage and recycling collection services and a waste disposal service provided for the benefit of, or which Council is willing and able to provide for the benefit of, each residential dwelling within the municipality where the number of residential dwellings (as the case may be) exceeds three (3) other than a residential dwelling a described in Parts 2 and 3 of the Schedule below and the occupiers of such land. The services are as described in Part 1 of the Schedule below.

c. A charge of \$225.00 per annum per residential dwelling in respect of non-kerbside (communal) garbage and recycling collection services and a waste disposal service provided for the benefit of, or which Council is willing and able to provide for the benefit of, each residential dwelling within the municipality where:

(iii) the owners of the dwellings have notified the Council in writing of their wish to be provided with these services.

(iii) the owners of the dwellings have notified the Council in writing of their wish to be provided with these services

d. A charge of \$225.00 per annum per residential dwelling in respect of non-kerbside (communal) garbage and recycling collection services and a waste disposal service provided for the benefit of, or which Council is willing and able to provide for the benefit of, each residential dwelling within the municipality where:

(ii) the dwellings and the facilities in and about the dwellings meet the requirements of the Council for the purposes of providing the

(ii) the number of residential dwellings exceeds forty (40);
 (iii) the dwellings and the facilities in and about the dwellings meet the requirements of the Council for the purposes of providing the

• "residential land" means land used or capable of being used for residential purposes (but does not include land on which there is

a neusible recycling collection service of one visit per fortnight,
 with a maximum of one 240 litre mobile bin per garbage collection or recycling collection visit; and
 access to the SBDWS, by means of an access tag of such type as may be provided by the Council, to enable the owner or occupier of such residential dwelling to dispose of such waste items as may be accepted by the operator of the SBDWS from time to time. Council will provide one access tag for each such residential dwelling. Additional or replacement tags can be purchased for the fee determined by Council from time to time.

For the purposes of this paragraph 5: • "residential dwelling" means a dwelling house, flat or other substantially self contained residential unit or building on residential land and includes a unit within the meaning of the Unit Titles Act and the Unit Title Schemes Act.

"SBDWS" means the Shoal Bay Waste Disposal Site located at Lot 3952 Town of Sanderson.

a kerbside garbage collection service of one garbage collection visit per week; and
 a kerbside recycling collection service of one visit per fortnight,

(i) the number of residential dwellings exceeds twelve (12);

The services are as described in Part 2 of the Schedule below.

The services are as described in Part 3 of the Schedule below

b. The amount to be raised by the Parking Local Rate is \$1,034,380.00

Council intends to raise \$6,627,762.00 by these charges.

### Local Government Act **Declaration of Rates and Charges 2016/2017**

4.0

Charges

ccupiers of such land

Notice is hereby given, pursuant to Section 158 of the Local Government Act, that the following rates and charges were declared by the City of Darwin at 2nd Ordinary Council Meeting held Tuesday, 28 June 2016 pursuant to Chapter 11 of the Local Government Act ("the Act") in respect of the financial year ending 30 June 2017.

#### Rates

City of Darwin (the "Council") made the following declaration of rates pursuant to Chapter 11 of the Act.

- Council, pursuant to Section 149 of the Act, adopted the Unimproved Capital Value method as the basis for determining the assessed 1.0 value of allotments within the Darwin Municipality
- 2.0 Council, pursuant to Section 155 of the Act declared that it intends to raise, for general purposes by way of rates, the amount of of \$59,575,000.00 which will be raised by the application of differential valuation-based charges ("differential rates") with differential minimum charges ("minimum amounts") being payable in application of each of those differential rates for the financial year ending 30 June 2017.

3.0 Council declared the following differential rates with minimum amounts being payable in application of each of those differential rates; For the purposes of this paragraph 3, "residential parts or units" means a dwelling house, flat or other substantially self contained residential unit or building

- a. With respect to all rateable land within the Municipality Zoned SD, RR, R or RL, under the NT Planning Scheme, a differential rate of 0.412733% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,071.00 multiplied by:
- i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1,

whichever is greater.

- b. With respect to all rateable land within the Municipality Zoned MD, MR or HR under the NT Planning Scheme, a differential rate of 0.412733% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,126.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1,

whichever is greater

- c. With respect to all rateable land within the Municipality Zoned CV under the NT Planning Scheme, a differential rate of 0.392465% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,071.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1,

### whichever is greater

d. With respect to all rateable land within the Municipality Zoned CB under the NT Planning Scheme, a differential rate of 0.476371% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,355.00. multiplied by:

i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1,

whichever is greater

- e. With respect to all rateable land within the Municipality Zoned PS or CN under the NT Planning Scheme, a differential
- rate of 0.367170% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1.

whichever is greater f. With respect to all rateable land within the Municipality Zoned OR under the NT Planning Scheme, a differential rate of 0.332207% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$442.00 multiplied

- i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1.
  - whichever is greater

- g. With respect to all rateable land within the Municipality Zoned FD, SU, CP, CL, RD or U under the NT Planning Scheme, a differential rate of 0.412733% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,126.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land: or

ii) the number 1, whichever is greater.

- h. With respect to all rateable land within the Municipality Zoned C or SC under the NT Planning Scheme other than those described in (i) and (j) below, a differential rate of 0.545357% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:
- i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1.

whichever is greate

- i. With respect to all rateable land within the Municipality Zoned C or SC under the NT Planning Scheme with a parcel area greater than 40,000m<sup>2</sup> and being allotments on which is situated a major shopping centre, a differential rate of 0.983465% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:
- i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or ii) the number 1,

whichever is greater

- j. With respect to all rateable land within the Municipality Zoned C or SC under the NT Planning Scheme with a parcel area less than 40,000m<sup>2</sup> and being allotments on which is situated a major shopping centre, a differential rate of 0.545357% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:

  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1,

- whichever is greater. k. With respect to all rateable land within the Municipality Zoned TC or HT under the NT Planning Scheme, a differential rate of 0.555826% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1, whichever is greater

- I. With respect to all rateable land within the Municipality Zoned LI under the NT Planning Scheme, a differential rate of 0.334143% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00
  - multiplied by: i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1,

- whichever is greater
- m. With respect to all rateable land (other than the small allotments identified below) within the Municipality Zoned GI or DV under the NT Planning Scheme, a differential rate of 0.282772% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,117.00 multiplied by:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of the Act on each allotment of land; or

ii) the number 1. whichever is greater.

Council considers the following classes of allotments to be a different class of allotments and small allotments for the purposes of section 148 (3)(b) of the Act and the example given at the foot of that section:

Units 1 to 3 and Units 5 to 98 comprised in Unit Plan No 95/95:

- Units 101 to 216 in Unit Plan 97/112:
- . Units 17 to 32 comprised in Unit Plan 98/32;
- · Lots 6244 to 6285 Hundred of Bagot and
- Lots 6330 to 6336 Hundred of Bagot.

Council considers that an inequity would result if the minimum amount declared in respect of rateable land within Zone GI were applied to these small allotments, and accordingly, Council declares a lesser minimum amount being \$278.00 to be payable in respect of each of each of these small allotments

n. With respect to every allotment of rateable land not otherwise described above, a differential rate of 0.412733% of the assessed value of such land with minimum amounts being payable in the application of that differential rate being \$1,071.00 multiplied by :

i) the number of separate residential parts or units that are adapted for separate occupation or use (pursuant to section 148(4) of lotment of land: o

ii) the number 1, whichever is greater

provided by the Council, to enable the owner or occupier of such residential dispose of such waste items as may be accepted by the operator of **Brendan Dowd** the SBDWS from time to time. Council will provide one access tag for each such **Chief Executive Officer** residential dwelling. Additional or replacement tags can be purchased for the fee determined by Council from time to time.
