# Shared Path Upgrade Dick Ward Drive, Coconut Grove

Council maintains and constructs shared paths (which are for both pedestrians and cyclists) throughout the municipality to provide an accessible and connected pedestrian and cycle network.

Upgrade works are scheduled for a section of path along **Dick Ward Drive in Coconut Grove**.

The section is **between Ostermann Street and Orchard Road**.

**Works are expected to commence Monday 26 June 2017**

- The works will take approximately 10 days to complete.
- Temporary paths will be set up so pedestrians and cyclists can safely pass the area.
- Cyclists are requested to dismount if necessary when using the temporary path.
- Work will be undertaken in small sections to minimise disruption.
- Please follow all traffic management for your own safety.

If you have any questions about the works please contact the Capital Works Coordinator on 8930 0300 or via email [darwin@darwin.nt.gov.au](mailto:darwin@darwin.nt.gov.au)
