Acknowledgement of Country

City of Darwin acknowledges the Larrakia people as the traditional owners of all the land and waters of the Greater Darwin region.

To the Larrakia, Darwin is known as Garramilla. The original language of the Larrakia is Gulumirigin (pronounced Goo-loo-midgin).

Often referred to as 'Saltwater People', the Larrakia lived, loved, birthed, hunted and survived a life on pristine coastal and inland areas. Established 'song lines' connecting Larrakia people to Country penetrating throughout their land and sea, allowing stories and histories to be told and retold for future generations.

The Larrakia culture and identity is rich and vibrant. In the footsteps of the Larrakia people, City of Darwin will continue to foster this culture and identity by creating a vibrant community together.

CEO Foreword

I am proud to present our Funding Guidelines which outline the variety of opportunities that can be accessed for support by community groups, businesses and service providers in Darwin.

As recognised in City of Darwin's Strategic Plan our community is diverse and inclusive; boasting a vibrant event season, strong commercial opportunities and exceptional services.

City of Darwin supplies funding, support and investment throughout the municipality and in a variety of ways that reflect the range of needs and the different parts of our community from grassroots volunteer groups to established enterprises and service providers.

City of Darwin strives to address community concerns and our social and economic environment and to build and strengthen our community in an open, transparent and accountable manner.

Scott Waters

CEO
City of Darwin

Introduction

Darwin is a City for People, a City of Colour.

As we move toward 2030, Darwin will be a city that is increasingly smart, prosperous and green. We are a vibrant and creative city that embraces, celebrates and values the richness and diversity of our community.

Our vision for [Darwin 2030 – City for People, City of Colour](#) will be delivered through 5 Strategic Directions:

- A capital city with best practice and sustainable infrastructure
- A safe, liveable and healthy city
- A cool, clean and green city
- A smart and prosperous city
- A vibrant and creative city

These Funding Guidelines deliver on Council's strategic role to fund and partner with organisations to meet these objectives.

City of Darwin invests in activity within the municipality of Darwin via open, competitive opportunities, transparent processes and formal agreements with community groups, local businesses and organisations.

The funding programs optimise the use of public funds through efficient and effective management and ensure strong alignment to City of Darwin's 2030 Strategic Plan and values.

In addition to the areas outlined in these guidelines City of Darwin also supports a process for unsolicited proposals. Unsolicited Proposals are part of the Procurement Framework and any submissions should be made through our electronic platform available on the City of Darwin website.

These guidelines outline City of Darwin's funding programs and the processes involved. Programs and their purpose are outlined in the table below.

- Be undertaken by Darwin businesses for the benefit of the Darwin community
- Be led by Darwin community members whether through organisations, consortia or businesses
- Acknowledge clearly the support of City of Darwin in advertising, promotions and marketing activity
- Strongly preference suppliers located in Darwin where ever possible
- Ensure no single use plastics in the delivery of activity <https://www.darwin.nt.gov.au/community/programs/climate-change-and-environment/plastic-wise>
- Minimise and actively reduce any negative environmental impact resulting from the activity
- Adhere to the published guidelines and intent of the program
- Maintain appropriate public liability cover at a minimum of \$20Million
- Meet the requirements of reporting and acquittal
- Be cost effective and competitive
- Be consistent with relevant City of Darwin policies

Unless explicitly outlined in the formal agreement all Funding arrangements are:

- For the period covered by the formal agreement only
- Contingent on the applicant delivering on all agreed requirements
- Able to be varied slightly within reason once approved if circumstances change

In the first instance prospective applicants should contact the City of Darwin Officer responsible for the program prior to applying.

ASSESSMENT

Applications will be reviewed and assessed in competitive rounds or within appropriate timelines by City of Darwin's Funding Panel against the criteria and focus of each category. Full, partial, or no funding will be recommended. Decisions are carefully considered to maintain the integrity of the process.

Council will consider the recommendations made at the most appropriate Council meeting in line with appropriate budgets and strategic objectives.

Cooperation Arrangements

Cooperation arrangements are by invitation only.

This category of funding was developed in 2020 by City of Darwin and will be trialed for the first time with NT Major Events Corporation (NTMEC). The intent of Cooperation arrangements is to streamline processes with regular users of City of Darwin's assets such as parks and public spaces in regards to high levels of in kind support in exchange for alignment with program outcomes across Departments of City of Darwin.

In the proposed 2021 trial NT Major Events Corporation and City of Darwin agree to cooperate for mutual benefit in the delivery of Bass in the Grass. City of Darwin will provide in kind support through the use of public space, NTMEC will provide opportunities for training in event management and media for 10 young people in City of Darwin's Launch program.

Further Information

From time to time successful applicants may need to vary their projects, activity or delivery due to unforeseen circumstances. City of Darwin will work with successful applicants to ensure that reasonable variations are possible to meet agreed outcomes.

City of Darwin receive more applications across all programs than can be supported. Applicants are strongly encouraged to pursue multiple investment opportunities for their projects. Below are useful links.
