## Your Guide For Dogs

## **Dog Exercise Areas**

When using the ovals and parks to exercise your dog remember that they must be accompanied by the owner, they must respond to voice commands and need to be restrained by a lead if: organised sporting activities are in progress or within 10 metres of a shared path.

## Picking Up After Dogs

Please remember to carry a poo bag for picking up after your dog while out walking. City of Darwin provides dog poo bags free of charge at the Civic Centre customer service.
