## Conditions of Use

By signing below, I agree to comply with the following conditions of approval:

- If I intend to perform in The Mall, I will only busk in the areas as identified on the City of Darwin map. I understand that I am responsible for knowing where the designated sites are located, and that amplification of any kind is not permitted within The Mall
- I will make my permit available for inspection for an authorised officer of Council upon request and follow any lawful direction issued by that officer. My permit will be displayed in a prominent position close to where I am performing at all times and understand that failure to present a valid permit and identification will result in the withdrawal of my permit or may result in an infringement and I will be liable
- I will not transfer this permit to any other person. I understand that transferring my permit may result in an infringement and withdrawal of the permit and I will be liable
- I will not create a threat to public safety, whether real or perceived
- I will not obstruct pedestrian, vehicle traffic or entrances to shops or buildings. I will leave at least one metre distance from public amenities (i.e. bins, bubblers, seats), buildings or walkway entrances or exits. I will also allow at least one metre space for free movement of pedestrians on all footpaths

- I will only remain in the same location for a maximum period of two hours. If I wish to continue to perform, I will relocate to another location over 150 metres from the current location
- I agree to a 'move on' policy. If I am asked to move on by a nearby business or stakeholder twice in a session (sessions are maximum of two hours), I will immediately relocate to a different site over 150 metres away
- I will respect other buskers and street performers. If another performer is already in a location, they have exclusive access to that location (and a surrounding exclusion zone of 20 metres) for up to two hours upon which I can then request to have a turn at that location
- I will pick up and lawfully dispose of rubbish or other litter associated with my activities.
- I will only perform on Council owned public spaces and commercial areas within City of Darwin's municipality including malls, footpaths and parks
- I will not perform on or in the immediate area surrounding any war memorial including the Cenotaph in Bicentennial Park
- I agree that I am not permitted to perform if I am intoxicated and/or consuming alcohol or smoking
- Amplification used in parks will be kept to a minimum with speakers pointed away from residences and nearby traders so as not to create a disturbance
- I understand that any other permits for use of council parks and facilities override busking and street performer permits (including but not limited to City of Darwin activities and events, weddings, community events, licenced food trucks etc). I agree that I will not play within 150 metres of other permit holders unless agreed with the permit holder
- I will have a current Working with Children Clearance (Ochre Card), when working with children under 18 years old
- I understand that I am performing at my own initiative and am not an employee, representative or contractor of City of Darwin
- I acknowledge that City of Darwin will require proof of public liability insurance if I am a representative of an incorporated entity and if not, I will indemnify City of Darwin against claims for loss, damage, injury or death caused by me as it relates to this permit and the insurance will be procured by City of Darwin
