Guidelines

Booking Banner Sites

General:

- Banners must be constructed of heavy duty material such as vinyl (no calico or sheeting will be accepted).
- Sponsor advertising including the name and/or logo must not exceed 25% of the total area of the banner.
- A photo image of the banner must be submitted to Council for approval.
- The permit holder must install and remove the banner as specified in the letter or email.
- Signs must be removed by 6pm on the final day of the display period, to ensure that other groups are not inconvenienced when they arrive to place their banners.
- The banner must have a rope threaded through the top and bottom of the banner from one end to the other. The rope is needed to ensure the banner is correctly secured and does not fold up, obscuring the message on the banner.
- The banner is not to be padlocked to the site.
- There is a maximum period of 3 weeks hire.
- If using cable ties to secure a banner, all cable ties must be collected and removed from site.
